Chapter 5C—Managed investment schemes

Part 5C.1—Registration of managed investment schemes

601EA Applying for registration

- (1) To register a managed investment scheme, a person must lodge an application with ASIC.
- (2) The application must state:
 - (a) the name, and the address of the registered office, of the proposed responsible entity; and
 - (b) the name and address of a person who has consented to be the auditor of the compliance plan.
- (3) The applicant must have the consent referred to in paragraph (2)(b) when the application is lodged. After the scheme is registered, the applicant must give the consent to the responsible entity. The responsible entity must keep the consent.
- (4) The following must be lodged with the application:
 - (a) a copy of the scheme's constitution;
 - (b) a copy of the scheme's compliance plan;
 - (c) a statement signed by the directors of the proposed responsible entity that:
 - (i) the scheme's constitution complies with sections 601GA and 601GB; and
 - (ii) the scheme's compliance plan complies with section 601HA.

Note: Section 601HC requires that the copy of the compliance plan be signed by the directors of the responsible entity.

601EB Registration of managed investment scheme

- (1) ASIC must register the scheme within 14 days of lodgment of the application, unless it appears to ASIC that:
 - (c) the application does not comply with section 601EA; or

Section 601EC

- (d) the proposed responsible entity does not meet the requirements of section 601FA; or
 - (e) the scheme's constitution does not meet the requirements of sections 601GA and 601GB; or
 - (f) the scheme's compliance plan does not meet the requirements of section 601HA; or
 - (g) the copy of the compliance plan lodged with the application is not signed as required by section 601HC; or
 - (h) arrangements are not in place that will satisfy the requirements of section 601HG in relation to audit of compliance with the plan.
- (2) If ASIC registers the scheme, ASIC must give it an ARSN.
- (3) ASIC must keep a record of the registration of the scheme.
- (4) For the purpose of determining whether subsection (1) is satisfied in relation to the scheme:
- (a) references in Parts 5C.3, 5C.4 and 5C.5 to a registered scheme are taken to include a reference to the scheme; and
 - (b) references in those Parts to the responsible entity of a registered scheme are taken to include a reference to the proposed responsible entity of the scheme.

601EC All documents etc. lodged with ASIC to bear ARSN or ABN

After a managed investment scheme is registered, all documents relating to the scheme that are lodged with ASIC must set out:

- (a) the scheme's ARSN; or
- (b) if the last 9 digits of the scheme's ARSN are the same, and in the same order, as the last 9 digits of its ABN—the scheme's ABN.

Note: In any case where the scheme's ARSN would be used, the scheme's ABN may be used instead if section 1344 is satisfied.

601ED When a managed investment scheme must be registered

- (1) Subject to subsection (2), a managed investment scheme must be registered under section 601EB if:
- (a) it has more than 20 members; or

- (b) it was promoted by a person, or an associate of a person, who was, when the scheme was promoted, in the business of promoting managed investment schemes; or
 - (c) a determination under subsection (3) is in force in relation to the scheme and the total number of members of all of the schemes to which the determination relates exceeds 20.
- (2) A managed investment scheme does not have to be registered if all the issues of interests in the scheme that have been made would not have required the giving of a Product Disclosure Statement under Division 2 of Part 7.9 if the scheme had been registered when the issues were made.
- (3) ASIC may, in writing, determine that a number of managed investment schemes are closely related and that each of them has to be registered at any time when the total number of members of all of the schemes exceeds 20. ASIC must give written notice of the determination to the operator of each of the schemes.
- (4) For the purpose of this section, when working out how many members a scheme has:
 - (a) joint holders of an interest in the scheme count as a single member; and
 - (b) an interest in the scheme held on trust for a beneficiary is taken to be held by the beneficiary (rather than the trustee) if:
 - (i) the beneficiary is presently entitled to a share of the trust estate or of the income of the trust estate; or
 - (ii) the beneficiary is, individually or together with other beneficiaries, in a position to control the trustee.
- (5) A person must not operate in this jurisdiction a managed investment scheme that this section requires to be registered under section 601EB unless the scheme is so registered.
- (6) For the purpose of subsection (5), a person is not operating a scheme merely because:
 - (a) they are acting as an agent or employee of another person; or
 - (b) they are taking steps to wind up the scheme or remedy a defect that led to the scheme being deregistered.
- (7) A person who would otherwise contravene subsection (5) because an interest in a scheme is held in trust for 2 or more beneficiaries (see paragraph (4)(b)) does not contravene that subsection if they

Section 601EE

prove that they did not know, and had no reason to suspect, that the interest was held in that way.

601EE Unregistered schemes may be wound up

- (1) If a person operates a managed investment scheme in contravention of subsection 601ED(5), the following may apply to the Court to have the scheme wound up:
 - (a) ASIC;
 - (b) the person operating the scheme;
 - (c) a member of the scheme.
- (2) The Court may make any orders it considers appropriate for the winding up of the scheme.

the responsible entity is taken to have done (or failed to do) anything that the agent or person has done (or failed to do) because of the appointment or engagement, even if they were acting fraudulently or outside the scope of their authority or engagement.

Note: A scheme's constitution may provide for the responsible entity to be indemnified for liabilities—see subsection 601GA(2).

If the company that is a registered scheme's responsible entity is being wound up, is under administration or has executed a deed of company arrangement that has not terminated:

- (a) a provision of the scheme's constitution, or of another instrument, is void against the liquidator, or the administrator of the company or the deed, if it purports to deny the company a right to be indemnified out of the scheme property that the company would have had if it were not being wound up, were not under administration, or had not executed a deed of company arrangement; and
- (b) a right of the company to be indemnified out of the scheme property may only be exercised by the liquidator or the administrator of the company or the deed.

Division 2—Changing the responsible entity

601FJ Changes only take effect when ASIC alters record of registration

- (1) Despite anything in this Division, the company named in ASIC's record of registration as the responsible entity or temporary responsible entity of a registered scheme remains the scheme's responsible entity until the record is altered to name another company as the scheme's responsible entity or temporary responsible entity.
- (2) A purported change of the scheme's responsible entity is ineffective unless it is in accordance with this Division.

601FK Requirements of section 601FA must be met

A company cannot be chosen or appointed as the responsible entity or temporary responsible entity of a registered scheme unless it meets the requirements of section 601FA.

601FL Retirement of responsible entity

- (1) If the responsible entity of a registered scheme wants to retire, it must call a members' meeting to explain its reason for wanting to retire and to enable the members to vote on a resolution to choose a company to be the new responsible entity. The resolution must be an extraordinary resolution if the scheme is not listed.
- (2) If the members choose a company to be the new responsible entity and that company has consented, in writing, to becoming the scheme's responsible entity:
 - (a) as soon as practicable and in any event within 2 business days after the resolution is passed, the current responsible entity must lodge a notice with ASIC asking it to alter the record of the scheme's registration to name the chosen company as the scheme's responsible entity; and
 - (b) if the current responsible entity does not lodge the notice required by paragraph (a), the company chosen by the members to be the new responsible entity may lodge that notice; and

Section 601FM

- (c) ASIC must comply with the notice when it is lodged.
- (3) If the members do not choose a company to be the new responsible entity, or the company they choose does not consent to becoming the scheme's responsible entity, the current responsible entity may apply to the Court for appointment of a temporary responsible entity under section 601FP.
- (4) A person must not lodge a notice under subsection (2) unless the consent referred to in that subsection has been given before the notice is lodged.

601FM Removal of responsible entity by members

- (1) If members of a registered scheme want to remove the responsible entity, they may take action under Division 1 of Part 2G.4 for the calling of a members' meeting to consider and vote on a resolution that the current responsible entity should be removed and a resolution choosing a company to be the new responsible entity. The resolutions must be extraordinary resolutions if the scheme is not listed.
- (2) If the members vote to remove the responsible entity and, at the same meeting, choose a company to be the new responsible entity that consents, in writing, to becoming the scheme's responsible entity:
 - (a) as soon as practicable and in any event within 2 business days after the resolution is passed, the current responsible entity must lodge a notice with ASIC asking it to alter the record of the scheme's registration to name the chosen company as the scheme's responsible entity; and
 - (b) if the current responsible entity does not lodge the notice required by paragraph (a), the company chosen by the members to be the new responsible entity may lodge that notice; and
 - (c) ASIC must comply with the notice when it is lodged.
- (3) A person must not lodge a notice under subsection (2) unless the consent referred to in that subsection has been given before the notice is lodged.

Note: If the members vote to remove the responsible entity but do not, at the same meeting, choose a company to be the new responsible entity, or the company they choose does not consent to becoming

the scheme's responsible entity, the scheme must be wound up (see section 601NE).

601FN ASIC or scheme member may apply to Court for appointment of temporary responsible entity

ASIC or a member of the registered scheme may apply to the Court for the appointment of a temporary responsible entity of the scheme under section 601FP if the scheme does not have a responsible entity that meets the requirements of section 601FA.

601FP Appointment of temporary responsible entity by Court

- (1) On application under section 601FL or 601FN, the Court may, by order, appoint a company as the temporary responsible entity of a registered scheme if the Court is satisfied that the appointment is in the interest of the members.
- (2) The Court may make any further orders that it considers necessary.
- (3) If the application was made by the current responsible entity, it must, as soon as practicable after the Court's order appointing the temporary responsible entity, lodge a notice with ASIC informing ASIC of the appointment made by the Court.
- (4) As soon as practicable after the appointment, ASIC must alter the record of the scheme's registration to name the appointed company as the scheme's temporary responsible entity.

601FQ Temporary responsible entity to take steps for appointment of new responsible entity

- (1) The temporary responsible entity of a registered scheme must call a members' meeting for the purpose of the members, by resolution, choosing a company to be the new responsible entity. The resolution must be an extraordinary resolution if the scheme is not listed. The temporary responsible entity must call the meeting as soon as practicable and, in any event, within 3 months of becoming the temporary responsible entity.
- (2) Within that 3 months, the temporary responsible entity may call further members' meetings for the purpose of choosing a company to be the new responsible entity. Before the end of the 3 months, it may apply to the Court for an extension of that period. If the Court

Section 601FQ

grants the extension, the temporary responsible entity may, within the extended period, call further members' meetings for the purpose of choosing a company to be the new responsible entity.

- (3) Provided it still meets the requirements in section 601FA, nothing prevents the company that is the temporary responsible entity from being chosen as the new responsible entity.
- (4) If the members choose a company to be the new responsible entity and that company has consented, in writing, to becoming the scheme's responsible entity, the temporary responsible entity must, as soon as practicable, lodge a notice with ASIC asking it to alter the record of the scheme's registration to name the chosen company as the scheme's responsible entity. ASIC must comply with the notice when it is lodged.
- (5) The temporary responsible entity must apply to the Court for an order directing it to wind up the scheme, and the Court may make the order, if:
 - (a) no meeting is called within the 3 months or extended period for the purpose of choosing a new company to be the responsible entity; or
 - (b) the meeting or meetings called within that period for that purpose have not resulted in the members choosing a company to be the new responsible entity that consents to becoming the scheme's responsible entity.

ASIC or a member of the scheme may apply for the order if the temporary responsible entity does not do so.

- (6) The temporary responsible entity must not lodge a notice under subsection (4) unless the consent referred to in that subsection has been given before the notice is lodged.

Division 3—Consequences of change of responsible entity

601FR Former responsible entity to hand over books and provide reasonable assistance

If the responsible entity of a registered scheme changes, the former responsible entity must:

- (a) as soon as practicable give the new responsible entity any books in the former responsible entity's possession or control that this Act requires to be kept in relation to the scheme; and
- (b) give other reasonable assistance to the new responsible entity to facilitate the change of responsible entity.

601FS Rights, obligations and liabilities of former responsible entity

- (1) If the responsible entity of a registered scheme changes, the rights, obligations and liabilities of the former responsible entity in relation to the scheme become rights, obligations and liabilities of the new responsible entity.
- (2) Despite subsection (1), the following rights and liabilities remain rights and liabilities of the former responsible entity:
 - (a) any right of the former responsible entity to be paid fees for the performance of its functions before it ceased to be the responsible entity; and
 - (b) any right of the former responsible entity to be indemnified for expenses it incurred before it ceased to be the responsible entity; and
 - (c) any right, obligation or liability that the former responsible entity had as a member of the scheme; and
 - (d) any liability for which the former responsible entity could not have been indemnified out of the scheme property if it had remained the scheme's responsible entity.

601FT Effect of change of responsible entity on documents etc. to which former responsible entity is party

- (1) If the responsible entity of a registered scheme changes, a document:
 - (a) to which the former responsible entity is a party, in which a reference is made to the former responsible entity, or under which the former responsible entity has acquired or incurred a right, obligation or liability, or might have acquired or incurred a right, obligation or liability if it had remained the responsible entity; and
 - (b) that is capable of having effect after the change;
has effect as if the new responsible entity (and not the former responsible entity) were a party to it, were referred to in it or had or might have acquired or incurred the right, obligation or liability under it.
- (2) Subsection (1) does not apply to a right, obligation or liability that remains a right, obligation or liability of the former responsible entity because of subsection 601FS(2).

Part 5C.3—The constitution

601GA Contents of the constitution

- (1) The constitution of a registered scheme must make adequate provision for:
 - (a) the consideration that is to be paid to acquire an interest in the scheme; and

 - (a) specify the right; and
 - (b) if the right may be exercised while the scheme is liquid (as defined in section 601KA)—set out adequate procedures for making and dealing with withdrawal requests; and

Section 601GB

The right to withdraw, and any provisions in the constitution setting out procedures for making and dealing with withdrawal requests, must be fair to all members.

601GB Constitution must be legally enforceable

The constitution of a registered scheme must be contained in a document that is legally enforceable as between the members and the responsible entity.

601GC Changing the constitution

- (1) The constitution of a registered scheme may be modified, or repealed and replaced with a new constitution:

 - (b) bank accepted bills;
 - (c) marketable securities (as defined in section 9);

- (2) The withdrawal offer must be in writing and be made:

601KD Non-liquid schemes—how payments are to be made

The responsible entity of a registered scheme that is not liquid must ensure that withdrawal requests made in response to a withdrawal offer are satisfied within 21 days after the offer closes. No request made under the withdrawal offer may be satisfied while the offer is still open. If an insufficient amount of money is available from the assets specified in the offer to satisfy all requests, the requests are to be satisfied proportionately in accordance with the formula:

$$\text{Amount of money available} \times \frac{\text{Amount member requested to withdraw}}{\text{Total of all amounts members request to withdraw}}$$

601KE Non-liquid schemes—responsible entity may cancel withdrawal offer

- (1) The responsible entity of a registered scheme that is not liquid:

601LD Omission of sections 213, 214 and 224

Chapter 2E applies as if sections 213, 214 and 224 were omitted.

Note: Instead of section 224, the rule in section 253E will apply.

The constitution of a registered scheme may provide that the scheme is to be wound up:

- (a) at a specified time; or

Division 2—Transfer of estate assets and liabilities

601WBA Transfer determinations

- (1) ASIC may, in writing, make a determination (a *transfer determination*) that there is to be a transfer of estate assets and liabilities from a specified company (the *transferring company*) to another specified company (the *receiving company*) if:

Section 601WBB

- (iv) legislation to facilitate the transfer that satisfies the requirements of section 601WBC has been enacted in the State or Territory in which the transferring company is registered and the State or Territory in which the receiving company is registered or of which it is the Public Trustee.

In particular, the legislation must provide that:

- (a) assets of the transferring company become assets of the receiving company, to the extent of the transfer; and
- (b) liabilities of the transferring company become liabilities of the receiving company, to the extent of the transfer; and

Section 601WBD

601WBD Minister's power to decide that his or her consent is not required

- (4) If subsection (3) does not apply to a determination, the determination is not a legislative instrument.

601WBE Determinations may impose conditions

- (1) The transfer determination may impose conditions of either or both of the following kinds:
 - (a) conditions to be complied with by the transferring company or the receiving company before a certificate of transfer is issued in relation to the transfer of estate assets and liabilities;
 - (b) conditions to be complied with by the transferring company or the receiving company after a certificate of transfer has been issued or has come into force in relation to the transfer of estate assets and liabilities.

Note: Failure to comply with this subsection is an offence (see subsection 1311(1)).

Note: A defendant bears an evidential burden in relation to the matter in subsection (6), see subsection 13.3(3) of the *Criminal Code*.

ASIC must give a copy of the transfer determination to the transferring company and the receiving company.

 - (b) if the transfer is a partial transfer—all the estate assets and liabilities included in the list referred to in paragraph 601WBG(2)(c), wherever those assets and liabilities are located, become assets and liabilities of the receiving company (in the same capacity as they were assets and

601WBJ Substitution of trustee company

When a certificate of transfer comes into force, any appointment or nomination of the transferring company to a particular capacity (for example, as trustee, executor or administrator) in relation to the transferred estate assets and liabilities is taken to be an appointment or nomination of the receiving company to that capacity in relation to those assets and liabilities.

- (2) An exemption may apply unconditionally or subject to specified conditions. A person to whom a condition specified in an exemption applies must comply with the condition. The Court may order the person to comply with the condition in a specified way. Only ASIC may apply to the Court for the order.
- (3) An exemption or declaration is a legislative instrument if it is expressed to apply in relation to a class of persons or a class of estates (whether or not it is also expressed to apply in relation to one or more persons or estates identified otherwise than by reference to membership of a class).
- (4) If subsection (3) does not apply to an exemption or declaration, the exemption or declaration must be in writing and ASIC must publish notice of it in the *Gazette*. The exemption or determination is not a legislative instrument.
- (5) If conduct (including an omission) of a person would not have constituted an offence if a particular declaration under paragraph (1)(b) had not been made, that conduct does not constitute an offence unless, before the conduct occurred (in addition to complying with the requirements of the *Legislative Instruments Act 2003* (if the declaration is of a kind referred to in subsection (3)), or with the gazettal requirement of subsection (4), as the case may be):
 - (a) the text of the declaration was made available by ASIC on the internet; or

 - (iii) are given enough information to enable them to assess the merits of the proposal; and
- (c) as far as practicable, the holders of the relevant class of voting shares or interests all have a reasonable and equal opportunity to participate in any benefits accruing to the holders through any proposal under which a person would acquire a substantial interest in the company, body or scheme; and
- (d) an appropriate procedure is followed as a preliminary to compulsory acquisition of voting shares or interests or any other kind of securities under Part 6A.1.

Note 1: To achieve the objectives referred to in paragraphs (a), (b) and (c), the prohibition in section 606 and the exceptions to it refer to interests in “voting shares”. To achieve the objective in paragraph (d), the provisions that deal with the takeover procedure refer more broadly to interests in “securities”.

Note 2: Subsection 92(3) defines *securities* for the purposes of this Chapter.

602A Substantial interest concept

- (1) A reference in this Chapter to a *substantial interest* in a company, listed body or listed managed investment scheme is not to be read as being limited to an interest that is constituted by one or more of the following:
 - (a) a relevant interest in securities in the company, body or scheme;
 - (b) a legal or equitable interest in securities in the company, body or scheme;
 - (c) a power or right in relation to:
 - (i) the company, body or scheme; or
 - (ii) securities in the company, body or scheme.
- (2) A person does not have a *substantial interest* in the company, body or scheme for the purposes of this Chapter merely because the person has an interest in, or a relationship with, the company, body or scheme of a kind prescribed by the regulations for the purposes of this subsection.
- (3) The regulations may provide that an interest of a particular kind is an interest that may constitute a substantial interest in a company, listed body or listed managed investment scheme for the purposes of this Chapter.

603 Chapter extends to some listed bodies that are not companies

This Chapter applies to the acquisition of relevant interests in the securities of listed bodies that are not companies but are incorporated or formed in Australia in the same way as it applies to the acquisition of relevant interests in the securities of companies.

Note: Section 9 defines *company* and *listed*.

604 Chapter extends to listed managed investment schemes

- (1) This Chapter applies to the acquisition of relevant interests in the interests in a registered scheme that is also listed as if:
 - (a) the scheme were a listed company; and
 - (b) interests in the scheme were shares in the company; and
 - (c) voting interests in the scheme were voting shares in the company; and

- (d) a meeting of the members of the scheme were a general meeting of the company; and
- (e) the obligations and powers that are imposed or conferred on the company were imposed or conferred on the responsible entity; and
- (f) the directors of the responsible entity were the directors of the company; and
- (g) the appointment of a responsible entity for the scheme were the election of a director of the company; and
- (h) the scheme's constitution were the company's constitution.

Note 1: Paragraph (g): See subsection 610(2).

Note 2: Section 9 defines *voting interest* in a managed investment scheme.

- (2) The regulations may modify the operation of this Chapter as it applies in relation to the acquisition of interests in listed managed investment schemes.

605 Classes of securities

- (1) Takeover bids are made for securities within a particular class. Similarly, compulsory acquisition and buy-out rights operate on securities within a particular class.
- (2) For the purposes of this Chapter and Chapters 6A and 6C, securities are not taken to be different classes merely because:
 - (a) some of the securities are fully-paid and others are partly-paid; or
 - (b) different amounts are paid up or remain unpaid on the securities.

Part 6.1—Prohibited acquisitions of relevant interests in voting shares

606 Prohibition on certain acquisitions of relevant interests in voting shares

Acquisition of relevant interests in voting shares through transaction entered into by or on behalf of person acquiring relevant interest

- (1) A person must not acquire a relevant interest in issued voting shares in a company if:
- (a) the company is:
 - (i) a listed company; or
 - (ii) an unlisted company with more than 50 members; and
 - (b) the person acquiring the interest does so through a transaction in relation to securities entered into by or on behalf of the person; and
 - (c) because of the transaction, that person's or someone else's voting power in the company increases:
 - (i) from 20% or below to more than 20%; or
 - (ii) from a starting point that is above 20% and below 90%.

Note 1: Section 9 defines *company* as meaning a company registered under this Act.

Note 2: Section 607 deals with the effect of a contravention of this section on transactions. Sections 608 and 609 deal with the meaning of *relevant interest*. Section 610 deals with the calculation of a person's voting power in a company.

Note 3: If the acquisition of relevant interests in an unlisted company with 50 or fewer members leads to the acquisition of a relevant interest in another company that is an unlisted company with more than 50 members, or a listed company, the acquisition is caught by this section because of its effect on that other company.

- (1A) However, the person may acquire the relevant interest under one of the exceptions set out in section 611 without contravening subsection (1).

Note: A defendant bears an evidential burden in relation to the matter in subsection (1A), see subsection 13.3(3) of the *Criminal Code*.

Acquisition of legal or equitable interest giving rise to relevant interest for someone else

- (2) A person must not acquire a legal or equitable interest in securities of a body corporate if, because of the acquisition:
- (a) another person acquires a relevant interest in issued voting shares in a company that is:
 - (i) a listed company; or
 - (ii) an unlisted company with more than 50 members; and
 - (b) someone's voting power in the company increases:
 - (i) from 20% or below to more than 20%; or
 - (ii) from a starting point that is above 20% and below 90%.
- (2A) However, if the acquisition of the relevant interest is covered by one of the exceptions set out in section 611, the person may acquire the legal or equitable interest without contravening subsection (2).

Note: A defendant bears an evidential burden in relation to the matter in subsection (2A), see subsection 13.3(3) of the *Criminal Code*.

50 member threshold

- (3) In determining whether the company has more than 50 members for the purposes of subsection (1) or (2), count joint holders of a particular parcel of shares as 1 person.

Offers and invitations

- (4) A person must not:
- (a) make an offer, or cause an offer to be made on their behalf, if the person would contravene subsection (1) or (2) if the offer were accepted; or
 - (b) issue an invitation, or cause an invitation to be issued on their behalf, if the person would contravene subsection (1) or (2) if:
 - (i) an offer were made in response to the invitation; and
 - (ii) the offer were accepted.

Absolute liability offences

- (4A) An offence based on subsection (1), (2) or (4) is an offence of absolute liability.

Section 607

Note: For *absolute liability*, see section 6.2 of the *Criminal Code*.

Defences

- (5) It is a defence to the prosecution of a person for contravening subsection (1), (2) or (4) if the person proves that they contravened the subsection:
- (a) because of inadvertence or mistake; or
 - (b) because the person was not aware of a relevant fact or occurrence.

In determining whether the defence is available, disregard the person's ignorance of, or a mistake on the person's part concerning, a matter of law.

Note: A defendant bears a legal burden in relation to a matter mentioned in subsection (5), see section 13.4 of the *Criminal Code*.

Extended meaning of acquiring relevant interests—conversions and increases in voting rights

- (6) A person is taken for the purposes of subsection (1) or (2) to acquire a relevant interest in voting shares in a company if:
- (a) securities in which the person already had a relevant interest become voting shares in the company; or
 - (b) there is an increase in the number of votes that may be cast on a poll attached to voting shares that the person already had a relevant interest in.

The acquisition occurs when the securities become voting shares or the number of votes increases.

Note: Some examples of cases to which this subsection applies are:

- A person exercises a right to convert a non-voting preference share into an ordinary share that carries votes.
- A person pays up partly-paid shares with limited votes and this leads to an increase in the number of votes attached to the shares.

607 Effect on transactions

A transaction is not invalid merely because it involves a contravention of section 606.

608 Relevant interests in securities

Basic rule—relevant interest is holding, or controlling voting or disposal of, securities

- (1) A person has a relevant interest in securities if they:
 - (a) are the holder of the securities; or
 - (b) have power to exercise, or control the exercise of, a right to vote attached to the securities; or
 - (c) have power to dispose of, or control the exercise of a power to dispose of, the securities.

It does not matter how remote the relevant interest is or how it arises. If 2 or more people can jointly exercise one of these powers, each of them is taken to have that power.

Extension to control exercisable through a trust, agreement or practice

- (2) In this section, power or control includes:
 - (a) power or control that is indirect; and
 - (b) power or control that is, or can be, exercised as a result of, by means of or by the revocation or breach of:
 - (i) a trust; or
 - (ii) an agreement; or
 - (iii) a practice; or
 - (iv) any combination of them;whether or not they are enforceable; and
 - (c) power or control that is, or can be made, subject to restraint or restriction.

It does not matter whether the power or control is express or implied, formal or informal, exercisable alone or jointly with someone else. It does not matter that the power or control cannot be related to a particular security.

Extension to relevant interests held through bodies corporate

- (3) A person has the relevant interests in any securities that any of the following has:
 - (a) a body corporate, or managed investment scheme, in which the person's voting power is above 20%;

Section 608

(b) a body corporate, or managed investment scheme, that the person controls.

Paragraph (a) does not apply to a relevant interest that the body corporate or scheme itself has in the securities merely because of the operation of that paragraph in relation to another body corporate or managed investment scheme.

- (4) For the purposes of paragraph (3)(b), a person controls a body corporate if the person has the capacity to determine the outcome of decisions about the body corporate's financial and operating policies.
- (5) In determining whether a person has this capacity:
- (a) the practical influence the person can exert (rather than the rights they can enforce) is the issue to be addressed; and
 - (b) any practice or pattern of behaviour affecting the body corporate's financial or operating policies is to be taken into account (even if it involves a breach of an agreement or a breach of trust).
- (6) The person does not control the body corporate merely because the person and an entity that is not an associate jointly have the capacity to determine the outcome of decisions about the body corporate's financial and operating policies.
- (7) A person is not taken to control a body corporate merely because of a capacity they have if they are under a legal obligation to exercise that capacity for the benefit of:
- (a) if the person is an individual—someone else; or
 - (b) if the person is a body corporate—someone other than its members.

Extension to control in anticipation of performance of agreements etc.

- (8) If at a particular time all the following conditions are satisfied:
- (a) a person has a relevant interest in issued securities;
 - (b) the person (whether before or after acquiring the relevant interest):
 - (i) has entered or enters into an agreement with another person with respect to the securities; or

- (ii) has given or gives another person an enforceable right, or has been or is given an enforceable right by another person, in relation to the securities (whether the right is enforceable presently or in the future and whether or not on the fulfilment of a condition); or
 - (iii) has granted or grants an option to, or has been or is granted an option by, another person with respect to the securities;
 - (c) the other person would have a relevant interest in the securities if the agreement were performed, the right enforced or the option exercised;
- the other person is taken to already have a relevant interest in the securities.

Note: Subsections 609(6) and (7) deal with specific situations in which the agreement will not give rise to a relevant interest.

Body corporate may have relevant interest in its own securities

- (9) This section may result in a body corporate having a relevant interest in its own securities.

609 Situations not giving rise to relevant interests

Money lending and financial accommodation

- (1) A person does not have a relevant interest in securities merely because of a security interest taken for the purpose of a transaction entered into by the person if:
 - (a) the security interest is taken or acquired in the ordinary course of the person's business of the provision of financial accommodation by any means and on ordinary commercial terms; and
 - (b) the person whose property is subject to the security interest is not an associate of the person.

Note: Sections 11 to 17 define *associate*.

Nominees and other trustees

- (2) A person who would otherwise have a relevant interest in securities as a bare trustee does not have a relevant interest in the securities if a beneficiary under the trust has a relevant interest in the securities

Section 609

because of a presently enforceable and unconditional right of the kind referred to in subsection 608(8).

Note: This subsection will often apply to a person who holds securities as a nominee.

Holding of securities by financial services licensee

- (3) A financial services licensee does not have a relevant interest in securities merely because they hold securities on behalf of someone else in the ordinary course of their financial services business.

Shares covered by buy-backs

- (4) A person does not have a relevant interest in a company's shares if the relevant interest would arise merely because the company has entered into an agreement to buy back the shares.

Proxies

- (5) A person does not have a relevant interest in securities merely because the person has been appointed to vote as a proxy or representative at a meeting of members, or of a class of members, of the company, body or managed investment scheme if:
- (a) the appointment is for one meeting only; and
 - (b) neither the person nor any associate gives valuable consideration for the appointment.

Market traded options and derivatives

- (6) A person does not have a relevant interest in securities merely because of:
- (a) an market traded option over the securities; or
 - (b) a right to acquire the securities given by a derivative.

This subsection stops applying to the relevant interest when the obligation to make or take delivery of the securities arises.

Note: Without this subsection, subsection 608(8) would create a relevant interest from the option or contract.

Conditional agreements

- (7) A person does not have a relevant interest in securities merely because of an agreement if the agreement:

- (a) is conditional on:
 - (i) a resolution under item 7 in the table in section 611 being passed; or
 - (ii) ASIC exempting the acquisition under the agreement from the provisions of this Chapter under section 655A; and
- (b) does not confer any control over, or power to substantially influence, the exercise of a voting right attached to the securities; and
- (c) does not restrict disposal of the securities for more than 3 months from the date when the agreement is entered into.

The person acquires a relevant interest in the securities when the condition referred to in paragraph (a) is satisfied.

Pre-emptive rights

- (8) A member of a company, body or managed investment scheme does not have a relevant interest in securities of the company, body or scheme merely because the company's, body's or scheme's constitution gives members pre-emptive rights on the transfer of the securities if all members have pre-emptive rights on the same terms.

Director of body corporate holding securities

- (9) A person does not have a relevant interest in securities merely because:
 - (a) the person is a director of a body corporate; and
 - (b) the body corporate has a relevant interest in those securities.

Clearing and settlement facilities

- (9A) The operator of a clearing and settlement facility (within the meaning of Chapter 7) does not have a relevant interest in securities merely because of its provision of facilities for the settlement of transactions.

Prescribed exclusions

- (10) A person does not have a relevant interest in securities in the circumstances specified in the regulations. The regulations may

Section 610

provide that interests in securities are not relevant interests subject to specified conditions.

610 Voting power in a body or managed investment scheme

Person's voting power in a body or managed investment scheme

- (1) A person's **voting power** in a designated body is:

$$\frac{\text{Person's and associates' votes}}{\text{Total votes in designated body}} \times 100$$

where:

person's and associates' votes is the total number of votes attached to all the voting shares in the designated body (if any) that the person or an associate has a relevant interest in.

total votes in designated body is the total number of votes attached to all voting shares in the designated body.

Note: Even if a person's relevant interest in voting shares is based on control over disposal of the shares (rather than control over voting rights attached to the shares), their voting power in the designated body is calculated on the basis of the number of votes attached to those shares.

Counting votes

- (2) For the purposes of this section, the number of votes attached to a voting share in a designated body is the maximum number of votes that can be cast in respect of the share on a poll:
- (a) if the election of directors is determined by the casting of votes attached to voting shares—on the election of a director of the designated body; or
 - (b) if the election of directors is not determined by the casting of votes attached to voting shares—on the adoption of a constitution for the designated body or the amendment of the body corporate's constitution.

Note: The Takeovers Panel may decide that the setting or varying of voting rights in a way that affects control of a designated body is unacceptable circumstances under section 657A.

- (3) If:
- (a) a transaction in relation to, or an acquisition of an interest in, securities occurs; and

- (b) before the transaction or acquisition, a person did not have a relevant interest in particular voting shares but an associate of the person did have a relevant interest in those shares; and
- (c) because of the transaction or acquisition, the person acquires a relevant interest in those shares;

then, for the purposes of applying section 606 to the transaction or acquisition, the person's voting power is taken to have increased because of the transaction or acquisition from what it would have been before the transaction or acquisition if the votes attached to those shares were disregarded to what it was after the transaction or acquisition (taking the votes attached to those shares into account).

- (4) Disregard the operation of section 613 in working out a person's voting power in a designated body.

When a designated body is a managed investment scheme

- (5) For the purposes of the application of this section in relation to a designated body that is a managed investment scheme:
 - (a) a reference to voting shares in the designated body is taken to be a reference to voting interests in the scheme; and
 - (b) a reference to the election of directors of the designated body is taken to be a reference to:
 - (i) if the scheme is a registered scheme—the appointment of a responsible entity for the scheme; or
 - (ii) if the scheme is not a registered scheme—the appointment of a person to the office (by whatever name it is known) in relation to the scheme that corresponds most closely to the office of responsible entity of a registered scheme; and
 - (c) a reference to the designated body's constitution is taken to be a reference to the scheme's constitution.

Meaning of designated body

- (6) In this section:

designated body means:

- (a) a body; or
- (b) a managed investment scheme.

Note: Subsection 92(3) defines *securities* for the purposes of this Chapter.

- (2) If other securities exist or will exist at that date that:
 - (a) will convert, or may be converted, to securities in the bid class; or
 - (b) confer rights to be issued securities in the bid class;the bid may extend to securities that come to be in the bid class during the offer period due to a conversion or exercise of the rights.

Note: The bidder's statement must say if the bid is extended in this way (see paragraph 636(1)(j)).

Market bid

- (3) A market bid must relate to securities:
 - (a) in a class of quoted securities (the *bid class*); and

Market bid

- (3) An offer for securities under a market bid must be an offer to buy all the securities in the bid class.

619 General terms of the offer

Note: The offers may include alternative forms of consideration (see section 621).

 - (a) any differences in the offers attributable to the fact that the number of securities that may be acquired under each offer is limited by the number of securities held by the holder;
 - (b) any differences in the offers attributable to the fact that the offers relate to securities having different accrued dividend or distribution entitlements;
 - (c) any differences in the offers attributable to the fact that the offers relate to securities on which different amounts are paid up or remain unpaid;
 - (d) any differences in the offers attributable to the fact that the bidder may issue or transfer only whole numbers of securities as consideration for the acquisition;
 - (e) any additional cash amount offered to holders instead of the fraction of a security that they would otherwise be offered.

Section 620

Foreign holders

- (3) If the consideration for the bid includes an offer of securities, the securities do not need to be offered to foreign holders of the target's securities if under the terms of the bid:
- (a) the bidder must appoint a nominee for foreign holders of the target's securities who is approved by ASIC; and

- (2) Each offer must provide that the bidder is to pay or provide the consideration for the offer:
- (a) if the bidder is given the necessary transfer documents with the acceptance—by the end of whichever of the following periods ends earlier:
 - (i) 1 month after the offer is accepted or, if the offer is subject to a defeating condition, within 1 month after the takeover contract becomes unconditional
 - (ii) 21 days after the end of the offer period; or
 - (b) if the bidder is given the necessary transfer documents after the acceptance and before the end of the bid period—within 1 month after the bidder is given the necessary transfer documents; or
 - (c) if the bidder is given the necessary transfer documents after the acceptance and after the end of the bid period—within 21

days after the bidder is given the necessary transfer documents.

Note: Subsection 630(1) requires an offer that is subject to a defeating condition to specify a date for declaring whether the condition has been fulfilled or not.

- (3) The offer may provide that the bidder may avoid the takeover contract if the bidder is not given the necessary transfer documents within 1 month after the end of the offer period.

Division 2—Consideration for the offer

- (c) if the consideration offered or provided is a cash sum and other consideration—the sum of the amount of the cash sum and the value of the other consideration.

The value of consideration that is not a cash sum is to be ascertained as at the time the relevant offer, purchase or agreement is made.

- (5) If:
 - (a) a person agrees to buy a security in a company; and
 - (b) the agreement provides that the price payable for the security is a price specified in the agreement but may be varied in accordance with the terms of the agreement;any variation in price under the agreement is to be disregarded in working out, for the purposes of subsection (3), the price agreed to be paid for the security under the agreement.

- (1A) An offence based on subsection (1) is an offence of strict liability.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

- (2) For the purpose of this section, a person does not receive a benefit that is not offered under a takeover bid merely because the person sells bid class securities on-market and the takeover bid is an off-market bid or a conditional bid.
- (3) This section does not prohibit:
 - (a) the variation of a takeover offer as provided by sections 649A to 650D; or
 - (b) an acquisition of securities through an on-market transaction; or

- (c) simultaneous takeover bids for different classes of securities in the target.

Division 3—The offer period

624 Offer period

Offer period set in offer

- (1) The offers under a takeover bid must remain open for the period stated in the offer. The period must:
 - (a) start on the date the first offer under the bid is made; and
 - (b) last for at least 1 month, and not more than 12 months.

However, the offer may be withdrawn during that period under section 652B.

Note: Sections 649C (market bids) and 650C (off-market bids) deal with variation of the offer period.

Automatic extension of offer period if bidder reaches 50% or consideration increased in last week

- (2) If, within the last 7 days of the offer period:
 - (a) for an off-market bid—the offers under the bid are varied to improve the consideration offered; or
 - (b) in any case—the bidder's voting power in the target increases to more than 50%;

the offer period is extended so that it ends 14 days after the event referred to in paragraph (a) or (b). The bidder must give the target and everyone who has not accepted an offer under the bid written notice that the extension has occurred within 3 days after that event.

Note: The consideration for a market bid cannot be increased in the last 5 trading days of the offer period (see section 649B).

Strict liability offences

- (3) An offence based on subsection (2) is an offence of strict liability.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

Division 4—Conditional offers

625 Conditional offers—general

Market bids

- (1) Offers under a market bid must be unconditional.

Off-market bids may generally be conditional

- (2) Offers under an off-market bid may be subject to conditions that are not prohibited by sections 626 to 629.

- (3) If:

- (a) the consideration offered is or includes securities; and
- (b) the offer or the bidder's statement states or implies that the securities are to be quoted on a financial market (whether in Australia or elsewhere);

the following rules apply:

- (c) the offer is subject to a condition that:
 - (i) an application for admission to quotation will be made within 7 days after the start of the bid period; and
 - (ii) permission for admission to quotation will be granted no later than 7 days after the end of the bid period;
- (d) the offer may not be freed from this condition.

Note: Section 1325A provides that a Court may make a remedial order if the condition is not satisfied.

626 Maximum acceptance conditions in off-market bids

Maximum acceptance conditions not allowed

- (1) Offers under an off-market bid must not be subject to a maximum acceptance condition. A maximum acceptance condition is one that provides that the offers will terminate, or the maximum consideration offered under the bid will be reduced, if one or more of the following occur:
 - (a) the number of securities for which the bidder receives acceptances reaches or exceeds a particular number; or

Section 627

- (b) the bidder's voting power in the company reaches or exceeds a particular percentage; or
 - (c) the percentage of securities the bidder has relevant interests in reaches or exceeds a particular percentage of securities in that class.
- (2) For the purposes of subsection (1), it does not matter:
- (a) how the condition is expressed; or
 - (b) how a particular number or percentage was, or is to be, determined; or
 - (c) whether or not a particular number or percentage is specified in the condition and, if it is so specified, how it is expressed.
- (3) For the purposes of subsection (1), an offer under an off-market bid terminates if:
- (a) the offer lapses, is withdrawn or otherwise ceases to have effect; or
 - (b) a binding takeover contract will not result from an acceptance of the offer; or
 - (c) an obligation of the bidder will not arise under the takeover contract; or
 - (d) the takeover contract is rescinded; or
 - (e) the bidder is entitled to rescind the takeover contract; or
 - (f) the bidder is relieved of an obligation arising under the takeover contract.

627 Discriminatory conditions not allowed for off-market bids

Offers under an off-market bid must not be subject to a condition that allows the bidder to acquire, or may result in the bidder acquiring, securities from some but not all of the people who accept the offers. It does not matter how the condition is expressed.

628 Conditions requiring payments to officers of target not allowed in off-market bids

An offer to a person under an off-market bid must not be made subject to a condition that requires the person to approve or consent to a payment or other benefit to an officer or employee of the target or a related body corporate:

- (a) as compensation for loss of; or

(b) as consideration in connection with retirement from; any office or employment in connection with the management of the target or of a related body corporate. A purported requirement of this kind is void.

629 Conditions turning on bidder's or associate's opinion not allowed in off-market bids

- (1) Offers under an off-market bid must not be subject to a defeating condition if the fulfilment of the condition depends on:
- (a) the bidder's, or an associate's, opinion, belief or other state of mind; or
 - (b) the happening of an event that is within the sole control of, or is a direct result of action by, any of the following:
 - (i) the bidder (acting alone or together with an associate or associates);
 - (ii) an associate (acting alone or together with the bidder or another associate or associates of the bidder).

A purported condition of this kind is void.

Note: Section 9 defines *defeating condition*. Sections 630, 650F and 650G deal with defeating conditions.

- (2) For the purposes of paragraph (1)(b):
- (a) the target; and
 - (b) a subsidiary of the target;
- are taken not to be associates of the bidder if they would otherwise be an associate merely because of paragraph 12(2)(a).

630 Defeating conditions

Off-market bid may include defeating conditions

- (1) Offers under an off-market bid may be made subject to a defeating condition only if the offers specify a date (not more than 14 days and not less than 7 days before the end of the offer period) for giving a notice on the status of the condition.
- (2) If the offer period is extended by a period:
- (a) the date for giving the notice is taken to be postponed for the same period; and

Section 630

- (b) as soon as practicable after the extension, the bidder must give a notice that states:
 - (i) the new date for giving the notice of the status of the condition; and
 - (ii) whether the offers have been freed from the condition and whether, so far as the bidder knows, the condition has been fulfilled on the date the notice under this subsection is given.

Bidder to give notice of status of defeating condition near end of offer period

- (3) On the date determined under subsection (1) or (2), the bidder must give a notice that states:
 - (a) whether the offers are free of the condition; and
 - (b) whether, so far as the bidder knows, the condition was fulfilled on the date the notice is given; and
 - (c) the bidder's voting power in the target.

The bidder must comply with this subsection whether or not the bidder has given a notice under subsection (4) or 650F(1).

Note: The offers may be freed of the condition by a declaration by the bidder under subsection 650F(1).

Bidder to give notice if defeating condition fulfilled

- (4) If the condition is fulfilled (so that the offers become free of the condition) during the bid period but before the date for publishing the notice on the status of the condition, the bidder must publish as soon as practicable a notice that states that the condition has been fulfilled.
- (5) A notice under this section is given by:
 - (a) giving the notice to the target; and
 - (b) for quoted bid class securities—giving the notice to the relevant market operator; and
 - (c) for unquoted bid class securities—lodging the notice with ASIC.

Strict liability offences

- (6) An offence based on subsection (2), (3) or (4) is an offence of strict liability.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

Part 6.5—The takeover procedure

Division 1—The overall procedure

631 Proposing or announcing a bid

- (1) A person contravenes this subsection if:
- (a) either alone or with other persons, the person publicly proposes to make a takeover bid for securities in a company; and
 - (b) the person does not make offers for the securities under a takeover bid within 2 months after the proposal.

The terms and conditions of the bid must be the same as or not substantially less favourable than those in the public proposal.

Note: The Court has power under section 1325B to order a person to proceed with a bid.

- (1A) For the purposes of an offence based on subsection (1), strict liability applies to paragraph (1)(b) and to the requirement that the terms and conditions of the bid must be the same as or not substantially less favourable than those in the public proposal.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

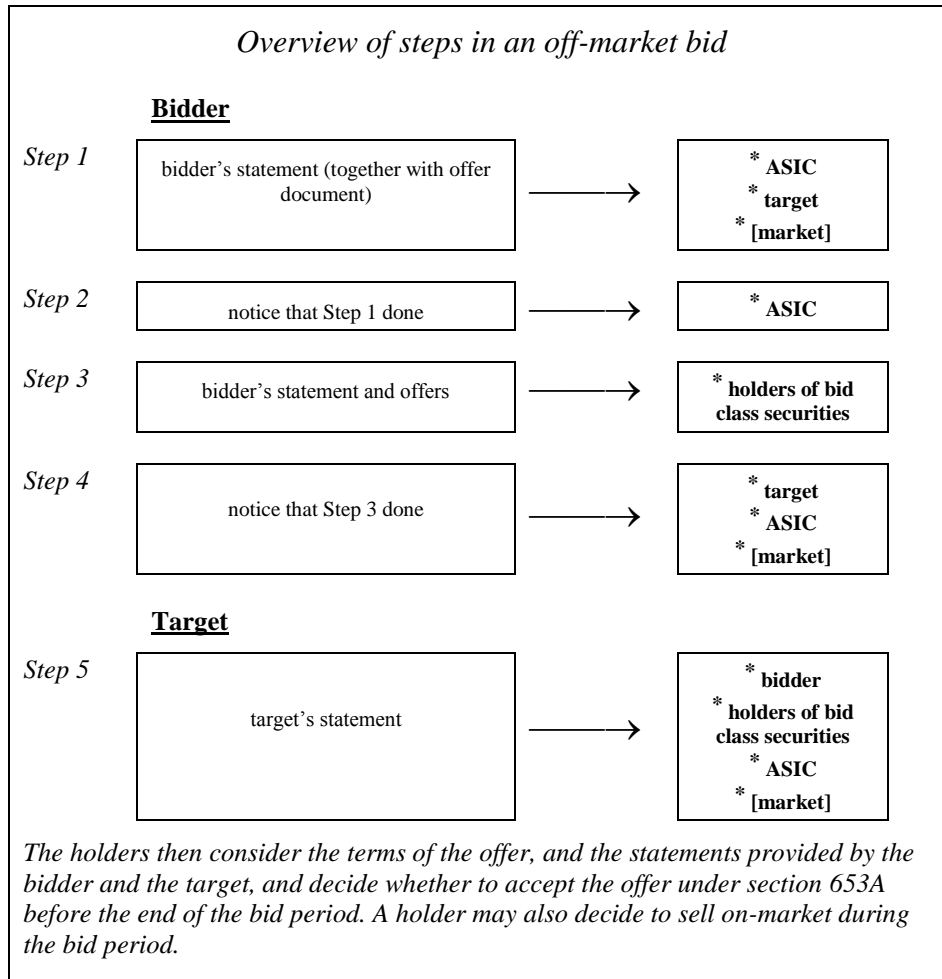

Proposals if takeover bid not intended

- (2) A person must not publicly propose, either alone or with other persons, to make a takeover bid if:
- (a) the person knows the proposed bid will not be made, or is reckless as to whether the proposed bid is made; or
 - (b) the person is reckless as to whether they will be able to perform their obligations relating to the takeover bid if a substantial proportion of the offers under the bid are accepted.
- (3) Section 1314 (continuing offences) and subsection 1324(2) (injunctions) do not apply in relation to a failure to make a takeover bid in accordance with a public proposal under subsection (1).

Note: For liability and defences for contraventions of this section, see sections 670E and 670F.

a target's statement given in accordance with section 638 must include, or be accompanied by, a report by an expert that states whether, in the expert's opinion, the takeover offers are fair and reasonable and gives the reasons for forming that opinion.

Note: Subsections 648A(2) and (3) provide for the independence of the expert and disclosure of any association between the target and the expert or the bidder and the expert. A contravention of one of those subsections results in the target's statement not complying with this subsection.

- (2) In determining whether the bidder's voting power in the target is 30% or more, calculate the bidder's voting power at the time the bidder's statement is sent to the target.
- (3) An offence based on subsection (1) is an offence of strict liability.

 - (a) in the form that the bidder requests; or
 - (b) if the target is unable to comply with the request—in writing.

Note 1: The bidder must then send and lodge the supplementary bidder's statement in accordance with section 647.

Note 2: Section 670A makes it an offence to give a bidder's statement after the bidder has become aware of a misleading or deceptive statement, omission or new circumstance that is material from the point of view of a holder of securities to whom the statement is given (unless the deficiency is corrected).

Note 3: The power to issue a supplementary bidder's statement is not limited to the situations dealt with in this section.

Note 4: This section applies to a bidder's statement that has already been previously supplemented.

 - (i) has arisen since the target's statement was lodged; and
 - (ii) would have been required by section 638 to be included in the target's statement if it had arisen before the target's statement was lodged;

that is material from the point of view of a holder of bid class securities, the target must prepare a supplementary target's statement that remedies this defect.

Note 1: The target must then send and lodge the supplementary target's statement in accordance with section 647.

Note 2: Section 670A makes it an offence to give a target's statement after the target has become aware of a misleading or deceptive statement, omission or new circumstance that is material from the point of view of a holder of securities to whom the statement is given (unless the deficiency is corrected).

Note 3: The power to issue a supplementary target's statement is not limited to the situations dealt with in this section.

Note 4: This section applies to a target's statement that has already been previously supplemented.

- (2) For an offence based on subsection (1), strict liability applies to the conduct, that the target must prepare a supplementary target's statement that remedies the defect.

646 Consequences of lodging a supplementary statement

If a supplementary statement is lodged with ASIC, for the purposes of the application of this Chapter and Chapter 6B to events that occur after the lodgment, the bidder's or target's statement is taken to be the original statement together with the supplementary statement.

647 To whom supplementary statement must be sent

648B Address at which bidder may send documents to holders of securities

The bidder may send a document to a holder of securities for the purposes of this Chapter at the address shown for the holder in the information given to the bidder by the target under section 641. This section does not limit the address to which the document may be sent to the holder.

Note: Section 109X makes general provision for service of documents.

648C Manner of sending documents to holders of securities

If a document must be sent to the holder of securities under this Chapter, the document must be sent:

- (a) if the document is to be sent to the holder outside Australia—by pre-paid airmail post or by courier; or
- (b) if the document is to be sent to the holder in Australia—by pre-paid ordinary post or by courier.

Subdivision C—Effect of proportional takeover approval provisions

648D Constitution may contain proportional takeover approval provisions

- (1) Subject to this Subdivision, the constitution of a company may contain provisions to the effect that, if offers are made under a proportional takeover bid for securities of the company:
 - (a) the registration of a transfer giving effect to a takeover contract for the bid is prohibited unless and until a resolution (an *approving resolution*) to approve the bid is passed in accordance with the provisions; and
 - (b) a person (other than the bidder or an associate of the bidder) who, as at the end of the day on which the first offer under the bid was made, held bid class securities is entitled to vote on an approving resolution; and

Section 648D

- (c) an approving resolution is to be voted on in whichever of the following ways is specified in the provisions:
 - (i) at a meeting, convened and conducted by the company, of the persons entitled to vote on the resolution;
 - (ii) by means of a postal ballot conducted by the company in accordance with a procedure set out in the provisions;or, if the provisions so provide, in whichever of those ways is determined by the directors of the company; and
- (d) an approving resolution that has been voted on is taken to have been passed if the proportion that the number of votes in favour of the resolution bears to the total number of votes on the resolution is greater than the proportion specified in the provisions, and otherwise is taken to have been rejected.

The proportion specified under paragraph (d) must not exceed 50%.

Note: Section 9 defines *proportional takeover bid*. See paragraph 618(1)(b).

- (2) To be effective, an approving resolution in relation to a proportional takeover bid must be passed before the **approving resolution deadline**. The deadline is the 14th day before the last day of the bid period.

Note: In certain circumstances, an approving resolution will be taken to have been passed (see subsection 648E(3)).

- (3) Except to the extent to which a company's constitution provides otherwise:
 - (a) the provisions that apply to a general meeting of the company apply, with such modifications as the circumstances require, to a meeting convened under the company's proportional takeover approval provisions; and
 - (b) those provisions apply as if the meeting convened under the proportional takeover provisions were a general meeting of the company.

The provisions referred to in paragraph (a) may be the provisions of a law, provisions of the company's constitution or any other provisions.

648E Resolution to be put if proportional bid made

- (1) If:
- (a) a company's constitution contains proportional takeover approval provisions; and
 - (b) offers are made under a proportional bid for a class of the company's securities;
- then:
- (c) the company's directors must ensure that a resolution to approve the bid is voted on in accordance with those provisions before the approving resolution deadline; and
 - (d) if the directors fail to ensure that a resolution of that kind is voted on before the deadline, each of the directors contravenes this subsection.

Note: Subsection 648D(2) sets the approving resolution deadline.

- (2) If a resolution to approve the bid is voted on in accordance with the proportional takeover approval provisions before the approving resolution deadline, the company must, on or before the deadline, give:

- Note: For *strict liability*, see section 6.1 of the *Criminal Code*.
- (3) If no resolution to approve the bid has been voted on in accordance with the proportional takeover approval provisions as at the end of the day before the approving resolution deadline, a resolution to approve the bid is taken, for the purposes of those provisions, to have been passed in accordance with those provisions.

648F Effect of rejection of approval resolution

If a resolution to approve the bid is voted on, in accordance with the proportional takeover approval provisions, before the approving resolution deadline and is rejected:

- (a) despite section 652A:

Section 648G

- (i) all offers under the bid that have not been accepted as at the end of deadline; and
- (ii) all offers under the bid that have been accepted, and from whose acceptance binding contracts have not resulted, as at the end of the deadline; are taken to be withdrawn at the end of the deadline; and
- (b) as soon as practicable after the deadline, the bidder must return to each person who has accepted an offer referred to in subparagraph (a)(ii) any documents that the person sent the bidder with the acceptance of the offer; and
- (c) the bidder:
 - (i) is entitled to rescind; and
 - (ii) must rescind as soon as practicable after the deadline; each binding takeover contract for the bid; and
- (d) a person who has accepted an offer made under the bid is entitled to rescind their takeover contract.

 - (a) unless paragraph (b) or (c) applies—3 years;
 - (b) if the constitution provides that the provisions apply for a specified period of less than 3 years and the provisions have not been renewed—the specified period; or
 - (c) if the provisions have been renewed on at least one occasion and the resolution, or the most recent resolution, renewing the provisions states that the provisions are renewed for a specified period of less than 3 years—the specified period.

- (c) if the provisions have been renewed on at least one occasion—when the provisions were renewed, or last renewed.
- (3) When the provisions cease to apply, the company's constitution is, by force of this subsection, altered by omitting the provisions.
- (4) A company may renew its proportional takeover approval provisions. The provisions are to be renewed in the same manner as that in which the company could alter its constitution to insert proportional takeover approval provisions.
- (5) With every notice that:
 - (a) specifies the intention to propose:
 - (i) a resolution to alter a company's constitution by inserting proportional takeover approval provisions; or
 - (ii) a resolution to renew a company's proportional takeover approval provisions; and
 - (b) is sent to a person who is entitled to vote on the proposed resolution;the company must send a statement that:
 - (c) explains the effect of the proposed provisions, or of the provisions proposed to be renewed; and
 - (d) explains the reasons for proposing the resolution and sets out the factual matters and principles underlying those reasons; and
 - (e) states whether, as at the day on which the statement is prepared, any of the directors of the company is aware of a proposal by a person to acquire, or to increase the extent of, a substantial interest in the company and, if so, explains the extent (if any) to which the proposal has influenced the decision to propose the resolution; and
 - (f) for a proposed resolution to renew proportional takeover approval provisions—reviews both the advantages, and disadvantages, of the provisions proposed to be renewed for:
 - (i) the directors; and
 - (ii) the company's members;during the period during which the provisions have been in effect; and

Section 648G

- (g) discusses both the potential advantages, and the potential disadvantages, of the proposed provisions, or of the provisions proposed to be renewed, for:
 - (i) the directors; and
 - (ii) the company's members.
- (6) If, on a particular day, a company purports to:
 - (a) alter its constitution by inserting proportional takeover approval provisions; or
 - (b) renew its proportional takeover approval provisions;then:
 - (c) holders who together hold not less than 10% (by number) of the issued securities in a class of securities in the company to which the provisions apply may, within 21 days after that day, apply to the Court to have the purported alteration or renewal set aside to the extent to which it relates to that class; and
 - (d) unless and until an application made under paragraph (c) is finally determined by the making of an order setting aside the purported alteration or renewal to that extent, the company is taken for all purposes (other than the purposes of an application of that kind):
 - (i) to have validly altered its constitution by inserting the provisions referred to in paragraph (a) applying to that class; or
 - (ii) to have validly renewed the provisions referred to in paragraph (b) applying to that class.
- (7) An application under paragraph (6)(c) may be made, on behalf of the holders entitled to make the application, by a holder or holders appointed by them in writing.
- (8) On an application under paragraph (6)(c), the Court may make an order setting aside the purported alteration or renewal to the extent to which it applies to that class if it is satisfied that it is appropriate in all the circumstances to do so. Otherwise the Court must dismiss the application.
- (9) Within 14 days after the day on which the Court makes an order of the kind referred to in subsection (8) in relation to a company, the company must lodge a copy of the order with ASIC.

- (10) An offence based on subsection (5) or (9) is an offence of strict liability.

The bidder may increase the current market bid price. They may not do so, however, during the last 5 trading days of the relevant financial market in the offer period.

649C Market bids—extending the offer period

- (1) The bidder may extend the offer period. The extension must be announced to the relevant financial market at least 5 trading days of the market before the end of the offer period. However, the announcement may be made up to the end of the offer period if during those 5 trading days:
 - (a) another person lodges with ASIC a bidder's statement for a takeover bid for securities in the bid class; or
 - (b) another person announces a takeover bid for securities in the bid class; or
 - (c) another person makes offers under a takeover bid for securities in the bid class; or

 - (h) offering an additional alternative form of consideration.

Note: If the bidder increases the consideration during the last 7 days of the offer period, subsection 624(2) extends the offer period by a further 14 days.

Effect of increase in consideration on offers already accepted

- (2) Improving the consideration has the effects set out in the following table on the rights of a person who has already accepted an offer when the variation is made.

4 addition of a new form of consideration	entitled to make a fresh election as to the form of consideration to be taken
5 any other improvement	entitled to make a fresh election as to the form of consideration to be taken

- (2A) The person is entitled to receive the improved consideration immediately, subject to the following paragraphs:
- (a) if the time for payment of the consideration in accordance with subsection 620(2) has not yet occurred, the person is not entitled to receive the improved consideration until that time;

- (1) A person who accepts an offer made under an off-market bid may withdraw their acceptance of the offer if:
 - (a) the bid is subject to a defeating condition; and
 - (b) the bidder varies the offers under the bid in a way that postpones for more than 1 month the time when the bidder has to meet their obligations under the bid; and

Section 650E

- (2) To withdraw their acceptance, the person must:

 - (b) if no such regulations are made—give the bidder any transfer documents needed to effect the return of the securities.
- (5) If the person withdraws their acceptance, the bidder must:
 - (a) take any actions that are specified in regulations made for the purposes of this paragraph in relation to the withdrawal of acceptance; and
 - (b) return any documents that the person sent the bidder with the acceptance of the offer;within 14 days after:
 - (c) if the person does the things referred to in subsection (2) on the same day—that day; or
 - (d) if the person does those things on different days—the last of those days.
- (6) If under this section a person returns to a company any certificates (together with any necessary transfer documents) in respect of the securities issued by the company, the company must cancel those securities as soon as possible. Any reduction in share capital is authorised by this subsection.
- (7) An offence based on subsection (5) or (6) is an offence of strict liability.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

650F Freeing off-market bids from defeating conditions

- (1) If the offers under an off-market bid are subject to a defeating condition, the bidder may free the offers, and the takeover contracts, from the condition only by giving the target a notice declaring the offers to be free from the condition in accordance with this section:
 - (a) if the condition is that the bidder may withdraw unaccepted offers if an event or circumstance referred to in subsection 652C(1) or (2) occurs in relation to the target—not later than 3 business days after the end of the offer period; or
 - (b) in any other case—not less than 7 days before the end of the offer period.
- (2) The notice must:
 - (a) state that the offers are free from the condition; and
 - (b) specify the bidder's voting power in the company.
- (3) The notice must be:
 - (a) if the securities in the bid class are quoted—given to the relevant market operator; and
 - (b) if those securities are not quoted—lodged with ASIC.
- (4) An offence based on subsection (3) is an offence of strict liability.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

650G Contracts and acceptances void if defeating condition not fulfilled

All takeover contracts, and all acceptances that have not resulted in binding takeover contracts, for an off-market bid are void if:

- (a) offers made under the bid have at any time been subject to a defeating condition; and
- (b) the bidder has not declared the offers to be free from the condition within the period before the date applicable under subsection 630(1) or (2); and
- (c) the condition has not been fulfilled at the end of the offer period.

A transfer of securities based on an acceptance or contract that is void under this section must not be registered.

Division 3—Off-market bids (automatic variations)

651A Off-market bid—effect on bid consideration of purchases made outside bid

Effect of purchases outside bid on offers made under the bid

- (1) The offers made under an off-market bid, and the takeover contracts, are varied under this section if:
 - (a) the bidder purchases securities in the bid class outside the bid during the bid period; and
 - (b) the consideration for that purchase consists solely of a cash sum; and
 - (c) either:
 - (i) the consideration, or 1 of the forms of consideration, payable under the bid consists of a cash sum only and the consideration referred to in paragraph (b) is higher than the cash sum payable for the securities under the bid; or
 - (ii) a cash sum only is not the consideration, or 1 of the forms of consideration, payable under the bid.

Note 1: Section 9 defines *takeover contract*.

Note 2: The effect of section 623 is that the purchase outside the bid has to be made through an on-market transaction (see subsection 623(1) and paragraph 623(3)(b)).

Effect on unaccepted cash offers

- (2) If:
 - (a) one of the forms of consideration offered to a person under an off-market bid is a cash sum only; and
 - (b) the person has not accepted the offer before the purchase outside the bid occurs;the cash sum is taken to be increased to the highest outside purchase price before the offer is accepted.

Effect on cash offers already accepted

- (3) The consideration payable for each security covered by a takeover contract arising from the acceptance of an offer for a cash sum only

is increased to the highest outside purchase price. If the person who accepted the offer has already received the whole or any part of the consideration under the contract, they are entitled to receive the increase in consideration immediately.

Effect on non-cash offers accepted at any time during bid period

- (4) If:
- (a) a person accepts an offer under a bid at any time during the bid period; and
 - (b) the consideration paid or provided, or to be paid or provided, under the takeover contract arising from the acceptance of the offer does not consist of a cash sum only;
- then:
- (c) the person may elect to take as consideration for each security covered by the takeover contract a cash sum equal to the highest outside purchase price instead of the consideration they originally accepted; and
 - (d) the bidder must give the person a written notice of their right to make the election within 14 days after the end of the offer period.

Note: Section 651B says how the election is to be exercised.

- (5) An offence based on subsection (4) is an offence of strict liability.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

651B How to make an election for new forms of consideration

- (1) An election under section 650B or 651A to take a new form of consideration must be made:
 - (a) by written notice to the bidder; and
 - (b) within 1 month after the person receives the notice from the bidder of their right to make the election.
- (2) The person becomes entitled to the new form of consideration if they:
 - (a) make the election; and
 - (b) return to the bidder:
 - (i) any consideration they have already received; and
 - (ii) any necessary transfer documents.

651C Returning securities as part of election

- (1) If under section 651B a person returns to a company any certificates (together with any necessary transfer documents) in respect of the securities issued by a company, the company must cancel those securities as soon as possible.
- (2) An offence based on subsection (1) is an offence of strict liability.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

Part 6.7—Withdrawal and suspension of offers

652A Withdrawal of unaccepted offers under takeover bid

Unaccepted offers under a takeover bid may only be withdrawn under section 652B or 652C.

652B Withdrawal of takeover offers with ASIC consent

Unaccepted offers under a takeover bid may be withdrawn with the written consent of ASIC. ASIC may consent subject to conditions.

652C Withdrawal of market bids

Bidder entitled to withdraw if certain events happen during the offer period

- (1) The bidder may withdraw unaccepted offers made under a market bid if 1 of the following happens during the bid period, but only if the bidder's voting power in the target is at or below 50% when the event happens:
 - (a) the target converts all or any of its shares into a larger or smaller number of shares (see section 254H);
 - (b) the target or a subsidiary resolves to reduce its share capital in any way;
 - (c) the target or a subsidiary:
 - (i) enters into a buy-back agreement; or
 - (ii) resolves to approve the terms of a buy-back agreement under subsection 257C(1) or 257D(1);
 - (d) the target or a subsidiary issues shares, or grants an option over its shares, or agrees to make such an issue or grant such an option;
 - (e) the target or a subsidiary issues, or agrees to issue, convertible notes;
 - (f) the target or a subsidiary disposes, or agrees to dispose, of the whole, or a substantial part, of its business or property;

Section 652C

- (g) the target or a subsidiary grants, or agrees to grant, a security interest in the whole, or a substantial part, of its business or property;
 - (h) the target or a subsidiary resolves to be wound up.
- (2) The bidder may also withdraw unaccepted offers made under a market bid if 1 of the following happens during the bid period:
- (a) a liquidator or provisional liquidator of the target or of a subsidiary is appointed;
 - (b) a court makes an order for the winding up of the target or of a subsidiary;
 - (c) an administrator of the target, or of a subsidiary, is appointed under section 436A, 436B or 436C;
 - (d) the target or a subsidiary executes a deed of company arrangement;
 - (e) a receiver, or a receiver and manager, is appointed in relation to the whole, or a substantial part, of the property of the target or of a subsidiary.

This is so regardless of the bidder's voting power at the time.

- (3) Notice of the withdrawal must be given to each relevant market operator.
- (4) An offence based on subsection (3) is an offence of strict liability.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

Part 6.8—Acceptances

653A Acceptance of offers made under off-market bid

If:

- (a) an offer is made under an off-market bid for quoted securities; and
- (b) regulations made for the purposes of this paragraph set out any requirements for the manner in which the acceptance of the offer, so far as it relates to those securities, must be complied with;

an acceptance of the offer for those securities is effective only if it is made in that way.

653B Acceptances by transferees and nominees of offers made under off-market bid

(1) If an off-market bid is made for securities:

(a) a person who:

- (i) is able during the offer period to give good title to a parcel of those securities; and
- (ii) has not already accepted an offer under the bid for those securities;

may accept as if an offer on terms identical with the other offers made under the bid had been made to that person in relation to those securities; and

- (b) a person who holds 1 or more parcels of those securities as trustee or nominee for, or otherwise on account of, another person may accept as if a separate offer had been made in relation to:
 - (i) each of those parcels; and
 - (ii) any parcel they hold in their own right.

If a person accepts an offer under a proportional takeover bid for securities, no-one else may accept an offer under the bid in respect of those securities.

Note: Section 9 defines *proportional takeover bid*. See paragraph 618(1)(b).

Section 653B

- (2) For the purposes of this section:
- (a) a person is taken to hold securities if the person is, or is entitled to be registered as, the holder of the securities; and
 - (b) a person is taken to hold the securities on trust for, as nominee for or on account of another person if they:
 - (i) are entitled to be registered as the holder of particular securities; and
 - (ii) hold their interest in the securities on trust for, as nominee for or on account of that other person; and
 - (c) in determining under subsection (1) whether a person has accepted an offer for particular securities under a takeover bid, a person who accepts an offer under a proportional takeover bid is taken to have accepted the offer for all the securities in the bid class that they hold at the time they accept the offer.
- (3) If under paragraph (1)(b) a person may accept as if a separate offer is taken to be made to a person for a parcel of securities within a holding, an acceptance of that offer is ineffective unless:
- (a) the person gives the bidder a notice stating that the securities consist of a separate parcel; and
 - (b) the acceptance specifies the number of securities in the parcel.
- (4) A notice under subsection (3) must:
- (a) comply with the conditions specified in regulations made for the purposes of this paragraph that provide for the manner of giving the notice; or
 - (b) if no such regulations are made—be in writing.
- (5) A person contravenes this subsection if:
- (a) they purport to accept an offer under this section; and
 - (b) the acceptance is not made in accordance with this section.
- The acceptance is, however, as valid as it would have been if it had been made in accordance with this section.
- (6) A person may, at the one time, accept for 2 or more parcels under this section as if there had been a single offer for a separate parcel consisting of those parcels.

Part 6.9—Other activities during the bid period

654A Bidder not to dispose of securities during the bid period

- (1) The bidder must not dispose of any securities in the bid class during the bid period.
- (1A) An offence based on subsection (1) is an offence of strict liability.
Note: For *strict liability*, see section 6.1 of the *Criminal Code*.
- (2) Subsection (1) does not apply to a disposal of securities by the bidder if:
 - (a) someone else who is not an associate of the bidder makes an offer, or improves the consideration offered, under a takeover bid for securities in the bid class after the bidder's statement is given to the target; and
 - (b) the bidder disposes of the securities after the offer is made or the consideration is improved.

Note: A defendant bears an evidential burden in relation to the matters in subsection (2), see subsection 13.3(3) of the *Criminal Code*.

654B Disclosures about substantial shareholdings in listed companies

During the bid period, substantial shareholding notices that need to be lodged under section 671B must be lodged by 9.30 am the next business day (rather than the usual 2 business days).

654C Disclosures about substantial shareholdings in unlisted companies

- (1) A bidder making a bid for securities of an unlisted company must give the target a notice stating the bidder's voting power in the target if, at a particular time during the bid period, the bidder's voting power in the target rises from below a percentage in the following list to that percentage or higher:
 - (a) 25%;
 - (b) 50%;
 - (c) 75%;

Section 654C

- (d) 90%.
- (2) The notice must be given as soon as practicable, and in any event within 2 business days, after the rise in voting power occurred.
- (3) The target must:
 - (a) make the notice available at its registered office for inspection without charge by any holder of bid class securities during the bid period; and
 - (b) lodge the notice with ASIC.
- (4) An offence based on subsection (1) or (3) is an offence of strict liability.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

Part 6.10—Review and intervention

Division 1—ASIC's power to exempt and modify

655A ASIC's power to exempt and modify

- (1) ASIC may:
 - (a) exempt a person from a provision of this Chapter; or
 - (b) declare that this Chapter applies to a person as if specified provisions were omitted, modified or varied as specified in the declaration.
- Note: Under section 656A, the Panel has power to review the exercise by ASIC of its powers under this section.
- (2) In deciding whether to give the exemption or declaration, ASIC must consider the purposes of this Chapter set out in section 602.
 - (3) The exemption or declaration may:
 - (a) apply to all or specified provisions of this Chapter; and
 - (b) apply to all persons, specified persons, or a specified class of persons; and
 - (c) relate to all securities, specified securities or a specified class of securities; and
 - (d) relate to any other matter generally or as specified.
 - (4) An exemption may apply unconditionally or subject to specified conditions. A person to whom a condition specified in an exemption applies must comply with the condition. The Court may order the person to comply with the condition in a specified way. Only ASIC may apply to the Court for the order.
 - (5) The exemption or declaration must be in writing and ASIC must publish notice of it in the *Gazette*.
 - (6) For the purposes of this section, the *provisions of this Chapter* include:
 - (a) regulations made for the purposes of this Chapter; and
 - (b) definitions in this Act or the regulations as they apply to references in:
 - (i) this Chapter; or

Section 655B

- (ii) regulations made for the purposes of this Chapter; and
- (c) the old Division 12 of Part 11.2 transitionals.

655B Notice of decision and review rights

- (1) Subject to subsection (2), ASIC must take such steps as are reasonable in the circumstances to give to each person whose interests are affected by a decision under section 655A a notice, in writing or otherwise:
 - (a) of the making of the decision; and
 - (b) of the person's right to have the decision reviewed by the Panel under section 656A.
- (2) Subsection (1) does not require ASIC to give notice to a person affected by the decision or to the persons in a class of persons affected by the decision, if ASIC determines that giving notice to the person or persons is not warranted, having regard to:
 - (a) the cost of giving notice to the person or persons; and
 - (b) the way in which the interests of the person or persons are affected by the decision.
- (3) A failure to comply with this section does not affect the validity of the decision.

Division 2—The Takeovers Panel

Subdivision A—Review of ASIC’s exercise of its exemption or modification powers

656A Review of exercise of exemption or modification powers

- (1) The Panel may review:
 - (a) a decision of ASIC under section 655A; or
 - (b) a decision of ASIC under section 673 in relation to securities of the target of a takeover bid during the bid period.For these purposes, *decision* has the same meaning as in the *Administrative Appeals Tribunal Act 1975*.
- (2) An application to the Panel for review of the decision may be made by any person whose interests are affected by the decision.
- (3) For the purpose of reviewing the decision, the Panel may exercise all the powers and discretions conferred on ASIC by this Chapter or Chapter 6C. The Panel must make a decision:
 - (a) affirming the decision; or
 - (b) varying the decision; or
 - (c) setting aside the decision and:
 - (i) making a decision in substitution for the decision under review; or
 - (ii) remitting the matter for reconsideration by ASIC in accordance with any directions or recommendations of the Panel.
- (4) The decision must be in writing and published in the *Gazette*.
- (5) If the Panel varies an ASIC decision, or makes a decision in substitution for an ASIC decision:
 - (a) the ASIC decision as varied, or the substituted decision, is taken for all purposes (other than the purposes of applications to the Panel for review in accordance with this section) to be a decision of ASIC under section 655A; and
 - (b) when the Panel’s determination on the review comes into operation, the ASIC decision as varied, or the substituted

decision, has effect, or is taken to have had effect, on and from the day on which the ASIC decision has or had effect. Paragraph (b) applies unless the Panel otherwise orders.

656B Operation and implementation of a decision that is subject to review

- (1) Subject to this section, applying to the Panel under section 656A for review of an ASIC decision does not:
 - (a) affect the operation of the decision; or
 - (b) prevent the taking of action to implement the decision.
- (2) On application by a party to the proceedings before the Panel, the Panel may:
 - (a) make an order staying, or otherwise affecting the operation or implementation of, the whole or a part of the decision if the Panel considers that:
 - (i) it is desirable to make the order after taking into account the interests of any person who may be affected by the review; and
 - (ii) the order is appropriate for the purpose of securing the effectiveness of the hearing and determination of the application for review; or
 - (b) make an order varying or revoking an order made under paragraph (a) (including an order that has previously been varied on one or more occasions under this paragraph).
- (3) Subject to subsection (4), the Panel must not:
 - (a) make an order under paragraph (2)(a) unless ASIC has been given a reasonable opportunity to make a submission to the Panel in relation to the matter; or
 - (b) make an order under paragraph (2)(b) unless:
 - (i) ASIC; and
 - (ii) the person who requested the making of the order under paragraph (2)(a); and
 - (iii) if the order under paragraph (2)(a) has previously been varied by an order or orders under paragraph (2)(b)—the person or persons who applied for the last-mentioned order or orders;

have been given a reasonable opportunity to make submissions to the Panel in relation to the matter.

- (4) Subsection (3) does not prohibit the Panel from making an order without giving to a person referred to in that subsection a reasonable opportunity to make a submission to the Panel in relation to a matter if the Panel is satisfied that, by reason of the urgency of the case or otherwise, it is not practicable to give that person such an opportunity. If an order is so made without giving such an opportunity to ASIC, the order does not come into operation until a notice setting out the terms of the order is served on ASIC.
- (5) An order in force under paragraph (2)(a) (including an order that has previously been varied on one or more occasions under paragraph (2)(b)):
 - (a) is subject to the conditions that are specified in the order; and
 - (b) has effect until:
 - (i) if a period for the operation of the order is specified in the order—the end of that period or, if the application for review is decided by the Panel before the end of that period, the decision of the Panel on the application for review comes into operation; or
 - (ii) if a period for the operation of the order is not specified in the order—the decision of the Panel on the application for review comes into operation.

Subdivision B—Unacceptable circumstances

657A Declaration of unacceptable circumstances

- (1) The Panel may declare circumstances in relation to the affairs of a company to be unacceptable circumstances. Without limiting this, the Panel may declare circumstances to be unacceptable circumstances whether or not the circumstances constitute a contravention of a provision of this Act.

Note: Sections 659B and 659C deal with court proceedings during and after a takeover bid.

- (2) The Panel may only declare circumstances to be unacceptable circumstances if it appears to the Panel that the circumstances:

Section 657A

- (a) are unacceptable having regard to the effect that the Panel is satisfied the circumstances have had, are having, will have or are likely to have on:
 - (i) the control, or potential control, of the company or another company; or
 - (ii) the acquisition, or proposed acquisition, by a person of a substantial interest in the company or another company; or
- (b) are otherwise unacceptable (whether in relation to the effect that the Panel is satisfied the circumstances have had, are having, will have or are likely to have in relation to the company or another company or in relation to securities of the company or another company) having regard to the purposes of this Chapter set out in section 602; or
- (c) are unacceptable because they:
 - (i) constituted, constitute, will constitute or are likely to constitute a contravention of a provision of this Chapter or of Chapter 6A, 6B or 6C; or
 - (ii) gave or give rise to, or will or are likely to give rise to, a contravention of a provision of this Chapter or of Chapter 6A, 6B or 6C.

The Panel may only make a declaration under this subsection, or only decline to make a declaration under this subsection, if it considers that doing so is not against the public interest after taking into account any policy considerations that the Panel considers relevant.

- (3) In exercising its powers under this section, the Panel:
 - (a) must have regard to:
 - (i) the purposes of this Chapter set out in section 602; and
 - (ii) the other provisions of this Chapter; and
 - (iii) the rules made under section 658C; and
 - (iv) the matters specified in regulations made for the purposes of paragraph 195(3)(c) of the ASIC Act; and
 - (b) may have regard to any other matters it considers relevant.

In having regard to the purpose set out in paragraph 602(c) in relation to an acquisition, or proposed acquisition, of a substantial interest in a company, body or scheme, the Panel must take into account the actions of the directors of the company or body or the responsible entity for a scheme (including actions that caused the

acquisition or proposed acquisition not to proceed or contributed to it not proceeding).

- (4) The Panel must give an opportunity to make submissions in relation to the matter to:
 - (a) each person to whom a proposed declaration relates; and
 - (b) each party to the proceedings; and
 - (c) ASIC.
- (5) The declaration must be in writing and published in the *Gazette*.
- (6) As soon as practicable, the Panel must give each person to whom the declaration relates:
 - (a) a copy of the declaration; and
 - (b) a written statement of the Panel's reasons for making the declaration.
- (7) This section does not require the Panel to perform a function, or exercise a power, in a particular way in a particular case.

657B When Panel may make declaration

The Panel can only make a declaration under section 657A within:

- (a) 3 months after the circumstances occur; or
- (b) 1 month after the application under section 657C for the declaration was made;

whichever ends last. The Court may extend the period on application by the Panel.

657C Applying for declarations and orders

- (1) The Panel may make a declaration under section 657A, or an order under section 657D or 657E, only on an application made under this section.
- (2) An application for a declaration under section 657A or an order under section 657D or 657E may be made by:
 - (a) the bidder; or
 - (b) the target; or
 - (c) ASIC; or
 - (d) any other person whose interests are affected by the relevant circumstances.

Section 657D

Note: The Administrative Appeals Tribunal cannot review ASIC's decision whether to apply to the Panel (see paragraph 1317C(gc)).

- (3) An application for a declaration under section 657A can be made only within:
- (a) 2 months after the circumstances have occurred; or
 - (b) a longer period determined by the Panel.

657D Orders that Panel may make following declaration

- (1) The Panel may make an order under subsection (2) if it has declared circumstances to be unacceptable under section 657A. It must not make an order if it is satisfied that the order would unfairly prejudice any person. Before making the order, the Panel must give:
- (a) each person to whom the proposed order would be directed; and
 - (b) each party to the proceedings; and
 - (c) ASIC;
- an opportunity to make submissions to the Panel about the matter
- (2) The Panel may make any order (including a remedial order but not including an order directing a person to comply with a requirement of Chapter 6, 6A, 6B or 6C) that it thinks appropriate to:
- (a) if the Panel is satisfied that the rights or interests of any person, or group of persons, have been or are being affected, or will be or are likely to be affected, by the circumstances—protect those rights or interests, or any other rights or interests, of that person or group of persons; or
 - (b) ensure that a takeover bid or proposed takeover bid in relation to securities proceeds (as far as possible) in a way that it would have proceeded if the circumstances had not occurred; or
 - (c) specify in greater detail the requirements of an order made under this subsection; or
 - (d) determine who is to bear the costs of the parties to the proceedings before the Panel;
- regardless of whether it has previously made an order under this subsection or section 657E in relation to the declaration. The Panel may also make any ancillary or consequential orders that it thinks appropriate.

Note: Section 9 defines *remedial order*.

- (3) The Panel may vary, revoke or suspend an order made under this section. Before doing so, it must give an opportunity to make submissions in relation to the matter to:
 - (a) each person to whom the order is directed; and
 - (b) each party to the proceedings in which the order was made; and
 - (c) ASIC.
- (4) If the Panel makes an order under this section, the Panel must give a copy of the order, and a written statement of its reasons for making the order, to:
 - (a) each party to the proceedings before the Panel; and
 - (b) each person to whom the order is directed if they are not a party to the proceedings; and
 - (c) for an order relating to specified securities of a company—the company; and
 - (d) ASIC.The Panel must also publish the order in the *Gazette*. The order takes effect as soon as it is made and not when all the requirements of this subsection are met.
- (5) If the Panel makes an order of the kind referred to in paragraph (j) of the definition of *remedial order*, the exercise of rights attached to shares is to be disregarded as provided in the order.
- (6) If the Panel makes an order of the kind referred to in paragraph (k) of the definition of *remedial order*, then, by force of this subsection, the agreement or offer specified in the order is cancelled, or becomes voidable, as from the making of the order or any later time that is specified in the order.

657E Interim orders

- (1) The Panel, or the President of the Panel, may make an interim order of a kind referred to in subsection 657D(2) in relation to circumstances even if:
 - (a) there is no declaration under section 657A that the circumstances are unacceptable; or
 - (b) no application to the Panel for a declaration of that kind has been made.

Section 657EA

The order must specify the period (not exceeding 2 months) for which it is to have effect.

- (2) The order ceases to have effect:
- (a) at the end of the period specified in the order; or
 - (b) if, before the end of that period, proceedings for a declaration under section 657A in relation to the circumstances (and all related proceedings for an order under section 657D) are determined—when those proceedings are determined.

657EA Internal Panel reviews

- (1) The following may apply under this section for review by the Panel of a decision of the Panel made on an application under section 657C:

- (a) a party to the proceedings in which the decision was made; or
- (b) ASIC.

For these purposes, *decision* has the same meaning as in the *Administrative Appeals Tribunal Act 1975*.

- (2) If the decision is not:
- (a) a decision to make a declaration under section 657A; or
 - (b) a decision to make an order under section 657D or 657E;
- the person may apply for review only with the consent of the President of the Panel.

- (3) The regulations may provide for the time limits within which an application may be made for review of a decision.

Note: Regulations made under the ASIC Act deal with the constitution of the Panel for the purposes of conducting a review under this section and the procedures to be followed in conducting the review.

- (4) After conducting a review under this section, the Panel may:
- (a) vary the decision reviewed; or
 - (b) set aside the decision reviewed; or
 - (c) set aside the decision reviewed and substitute a new decision.

In conducting the review, the Panel has the same power to make a declaration under section 657A, or an order under section 657D or 657E, as it has when it is considering an application under section 657C.

- (5) Despite section 657B, the Panel can only make a declaration under section 657A after conducting a review under this section if the declaration is made within:
- (a) 3 months after the circumstances in relation to which the declaration is made occur; or
 - (b) 1 month after the application for review was made;
- whichever ends last. The Court may extend the period on application by the Panel.

657EB References by Courts

- (1) A Court hearing proceedings in relation to a decision of the Panel made on an application under section 657C may refer the decision to the Panel for review.

Part 6D.1—Application of the fundraising provisions

700 Coverage of the fundraising rules

- (1) In this Chapter, *securities* has the same meaning as it has in Chapter 7, but does not include a security referred to in paragraph (e) or (f) of the definition of *security* in section 761A.

Offers and invitations both covered

- (2) For the purposes of this Chapter:
 - (a) offering securities for issue includes inviting applications for the issue of the securities; and
 - (b) offering securities for sale includes inviting offers to purchase the securities.

Person offering securities

- (3) For the purposes of this Chapter, the person who offers securities is the person who has the capacity, or who agrees, to issue or transfer the securities if the offer is accepted.

Geographical coverage of Chapter

- (4) This Chapter applies to offers of securities that are received in this jurisdiction, regardless of where any resulting issue, sale or transfer occurs.

702 Treatment of offers of options over securities

For the purposes of this Chapter:

- (a) an offer of an option over securities is not taken to be an offer of the underlying securities; and
- (b) the grant of an option without an offer of the option is taken to be an offer of the option; and
- (c) an offer to grant an option is taken to be an offer to issue the security constituted by the option.

- Note 1: If a disclosure document is needed for the option and there is no further offer involved in exercising the option, the issue or sale of the underlying securities on the exercise of the option does not need a disclosure document.
- Note 2: Paragraph (b)—the grant of the option will not require a disclosure document if no consideration is payable on the grant or the exercise of the option (see subsections 708(15) and (16)).

703 Chapter may not be contracted out of

A condition of a contract for the sale or issue of securities is void if it provides that a party to the contract is:

- (a) required or bound to waive compliance with any requirement of this Chapter; or
- (b) taken to have notice of any contract, document or matter not specifically referred to in the disclosure document for the offer.

703A Operating a clearing and settlement facility is not offering securities etc.

Nothing that the operator of a clearing and settlement facility (within the meaning of Chapter 7) does in the course of, or in connection with, providing facilities for the settlement of transactions constitutes, for the purposes of this Chapter:

- (a) an offer of securities for subscription or purchase; or
- (b) an invitation to subscribe for or buy securities.

Part 6D.2—Disclosure to investors about securities

Division 1—Overview

704 When disclosure to investors is needed

Sections 706, 707, 708, 708AA and 708A say when an offer of securities needs disclosure to investors under this Part.

Note 1: Section 727 prohibits offering securities without disclosure.

Note 2: If the offer needs disclosure, section 734 applies advertising restrictions. These continue throughout the whole offer process. Different restrictions apply before and after the disclosure document is lodged.

Note 3: The way the offers are made to people must not breach the securities hawking prohibition in section 736.

705 Types of disclosure document

The following table shows what disclosure documents to use if an offer of securities needs disclosure to investors under this Part.

Disclosure document	
Type	Sections
1 <i>prospectus</i>	
The standard full-disclosure document.	content [710, 711, 713] procedure [717] liability [728 and 729] defences [731, 733]
2 <i>short form prospectus</i>	
May be used for any offer. Section 712 allows a prospectus to refer to material lodged with ASIC instead of setting it out. Investors are entitled to a copy of this material if they ask for it.	content [712]

Disclosure document	
Type	Sections
3 <i>profile statement</i> Section 721 allows a brief profile statement (rather than the prospectus) to be sent out with offers with ASIC approval. The prospectus must still be prepared and lodged with ASIC. Investors are entitled to a copy of the prospectus if they ask for it.	content [714] procedure [717] liability [728 and 729] defences [732, 733]
4 <i>offer information statement</i> Section 709 allows an offer information statement to be used instead of a prospectus for an offer to issue securities if the amount raised from issues of securities is \$10 million or less.	content [715] procedure [717] liability [728 and 729] defences [732, 733]

Division 2—Offers that need disclosure to investors

706 Issue offers that need disclosure

An offer of securities for issue needs disclosure to investors under this Part unless section 708 or 708AA says otherwise.

707 Sale offers that need disclosure

Only some sales need disclosure

- (1) An offer of securities for sale needs disclosure to investors under this Part only if disclosure is required by subsection (2), (3) or (5).

Off-market sale by controller

- (2) An offer of a body's securities for sale needs disclosure to investors under this Part if:
 - (a) the person making the offer controls the body; and
 - (b) either:
 - (i) the securities are not quoted; or
 - (ii) although the securities are quoted, they are not offered for sale in the ordinary course of trading on a relevant financial market;

and section 708 does not say otherwise.

Note: See section 50AA for when a person controls a body.

Sale amounting to indirect issue

- (3) An offer of a body's securities for sale within 12 months after their issue needs disclosure to investors under this Part if:
 - (a) the body issued the securities without disclosure to investors under this Part; and
 - (b) either:
 - (i) the body issued the securities with the purpose of the person to whom they were issued selling or transferring the securities, or granting, issuing or transferring interests in, or options over, them; or
 - (ii) the person to whom the securities were issued acquired them with the purpose of selling or transferring the

securities, or granting, issuing or transferring interests in, or options over, them;

and section 708 or 708A does not say otherwise.

Note 1: Section 706 normally requires disclosure for the issue of securities. This subsection is intended to prevent avoidance of section 706. However, to establish a contravention of this subsection, the only purpose that needs to be shown is that referred to in paragraph (b).

Note 2: The issuer and the seller must both consent to the disclosure document (see section 720).

The purpose test in subsection (3)

(4) For the purposes of subsection (3):

(a) securities are taken to be:

(i) issued with the purpose referred to in subparagraph (3)(b)(i); or

(ii) acquired with the purpose referred to in subparagraph (3)(b)(ii);

if there are reasonable grounds for concluding that the securities were issued or acquired with that purpose (whether or not there may have been other purposes for the issue or acquisition); and

(b) without limiting paragraph (a), securities are taken to be:

(i) issued with the purpose referred to in subparagraph (3)(b)(i); or

(ii) acquired with the purpose referred to in subparagraph (3)(b)(ii);

if any of the securities are subsequently sold, or offered for sale, within 12 months after issue, unless it is proved that the circumstances of the issue and the subsequent sale or offer are not such as to give rise to reasonable grounds for concluding that the securities were issued or acquired with that purpose.

Sale amounting to indirect off-market sale by controller

(5) An offer of a body's securities for sale within 12 months after their sale by a person who controlled the body at the time of the sale needs disclosure to investors under this Part if:

(a) at the time of the sale by the controller either:

(i) the securities were not quoted; or

Section 707

- (ii) although the securities were quoted, they were not offered for sale in the ordinary course of trading on a relevant financial market on which they were quoted; and
- (b) the controller sold the securities without disclosure to investors under this Part; and
- (c) either:
 - (i) the controller sold the securities with the purpose of the person to whom they were sold selling or transferring the securities, or granting, issuing or transferring interests in, or options over, them; or
 - (ii) the person to whom the securities were sold acquired them with the purpose of selling or transferring the securities, or granting, issuing or transferring interests in, or options over, them;

and section 708 does not say otherwise.

Note 1: Subsection (2) normally requires disclosure for a sale by a controller. This subsection is intended to prevent avoidance of subsection (2). However, to establish a contravention of this subsection, the only purpose that needs to be shown is that referred to in paragraph (c).

Note 2: See section 50AA for when a person controls a body.

Note 3: The controller and the seller must both consent to the disclosure document (see section 720).

The purpose test in subsection (5)

- (6) For the purposes of subsection (5):
 - (a) securities are taken to be:
 - (i) sold with the purpose referred to in subparagraph (5)(c)(i); or
 - (ii) acquired with the purpose referred to in subparagraph (5)(c)(ii);if there are reasonable grounds for concluding that the securities were sold or acquired with that purpose (whether or not there may have been other purposes for the sale or acquisition); and
 - (b) without limiting paragraph (a), securities are taken to be:
 - (i) sold with the purpose referred to in subparagraph (5)(c)(i); or

- (ii) acquired with the purpose referred to in subparagraph (5)(c)(ii);
if any of the securities are subsequently sold, or offered for sale, within 12 months after their sale by the controller, unless it is proved that the circumstances of the initial sale and the subsequent sale or offer are not such as to give rise to reasonable grounds for concluding that the securities were sold or acquired (in the initial sale) with that purpose.

708 Offers that do not need disclosure

Small scale offerings (20 issues or sales in 12 months)

- (1) Personal offers of a body's securities by a person do not need disclosure to investors under this Part if:
 - (a) none of the offers results in a breach of the 20 investors ceiling (see subsections (3) and (4)); and
 - (b) none of the offers results in a breach of the \$2 million ceiling (see subsections (3) and (4)).

This subsection does not apply to an offer for sale to which subsection 707(3) (sale amounting to indirect issue) or (5) (sale amounting to indirect sale by controller) applies.

Note 1: Subsection 727(4) makes it an offence to issue or transfer securities without disclosure to investors once 20 issues or transfers have occurred or \$2 million has been raised.

Note 2: Under section 740 ASIC may make a determination aggregating the transactions of bodies that ASIC considers to be closely related.

- (2) For the purposes of subsection (1), a personal offer is one that:
 - (a) may only be accepted by the person to whom it is made; and
 - (b) is made to a person who is likely to be interested in the offer, having regard to:
 - (i) previous contact between the person making the offer and that person; or
 - (ii) some professional or other connection between the person making the offer and that person; or
 - (iii) statements or actions by that person that indicate that they are interested in offers of that kind.

Section 708

- (3) An offer by a body to issue securities:
 - (a) results in a breach of the 20 investors ceiling if it results in the number of people to whom securities of the body have been issued exceeding 20 in any 12 month period; and
 - (b) results in a breach of the \$2 million ceiling if it results in the amount raised by the body by issuing securities exceeding \$2 million in any 12 month period.

 - (4) An offer by a person to transfer a body's securities:
 - (a) results in a breach of the 20 investors ceiling if it results in the number of people to whom the person sells securities of the body exceeding 20 in any 12 month period; and
 - (b) results in a breach of the \$2 million ceiling if it results in the amount raised by the person from selling the body's securities exceeding \$2 million in any 12 month period.

 - (5) In counting issues and sales of the body's securities, and the amount raised from issues and sales, for the purposes of subsection (1), disregard issues and sales that result from offers that:
 - (a) do not need a disclosure document because of any other subsection of this section; or
 - (b) are not received in Australia; or
 - (c) are made under a disclosure document.
- Note: Also see provisions on restrictions on advertising (section 734) and securities hawking provisions (Part 6D.3).
- (7) In working out the amount of money raised by the body by issuing securities, include the following:
 - (a) the amount payable for the securities at the time when they are issued;
 - (b) if the securities are shares issued partly-paid—any amount payable at a future time if a call is made;
 - (c) if the security is an option—any amount payable on the exercise of the option;
 - (d) if the securities carry a right to convert the securities into other securities—any amount payable on the exercise of that right.

 - (c) it appears from a certificate given by a qualified accountant no more than 6 months before the offer is made that the person to whom the offer is made:
 - (i) has net assets of at least the amount specified in regulations made for the purposes of this subparagraph; or
 - (ii) has a gross income for each of the last 2 financial years of at least the amount specified in regulations made for the purposes of this subparagraph a year; or
 - (d) the offer is made to a company or trust controlled by a person who meets the requirements of subparagraph (c)(i) or (ii).

Note 1: Section 9 defines *qualified accountant*.

Note 2: A financial services licensee has obligations under Division 3 of Part 7.7 when providing financial advice. ASIC has a power under section 915C to suspend or cancel a licensee's licence.

- (9) In calculating the amount payable, or paid, for securities for the purposes of paragraph (8)(a) or (b), disregard any amount payable, or paid, to the extent to which it is to be paid, or was paid, out of money lent by the person offering the securities or an associate.
- (9A) In addition to specifying amounts for the purposes of subparagraphs (8)(c)(i) and (ii), the regulations may do either or both of the following:
- (a) deal with how net assets referred to in subparagraph (8)(c)(i) are to be determined and valued, either generally or in specified circumstances;
 - (b) deal with how gross income referred to in subparagraph (8)(c)(ii) is to be calculated, either generally or in specified circumstances.

Note: **Control** is defined in section 50AA.

- (10) An offer of a body's securities does not need disclosure to investors under this Part if:
- (a) the offer is made through a financial services licensee; and
 - (b) the licensee is satisfied on reasonable grounds that the person to whom the offer is made has previous experience in investing in securities that allows them to assess:
 - (i) the merits of the offer; and
 - (ii) the value of the securities; and
 - (iii) the risks involved in accepting the offer; and
 - (iv) their own information needs; and
 - (v) the adequacy of the information given by the person making the offer; and
 - (c) the licensee gives the person before, or at the time when, the offer is made a written statement of the licensee's reasons for being satisfied as to those matters; and
 - (d) the person to whom the offer is made signs a written acknowledgment before, or at the time when, the offer is made that the licensee has not given the person a disclosure document under this Part in relation to the offer.

Obligation to correct defective notice

- (9) The body contravenes this subsection if:
- (a) the notice given under subsection (5) is defective; and
 - (b) the body becomes aware of the defect in the notice within 12 months after the relevant securities are issued; and

Division 3—Types of disclosure documents

709 Prospectuses, short-form prospectuses, profile statements and offer information statements

Prospectus or short-form prospectus

- (1) If an offer of securities needs disclosure to investors under this Part, a prospectus must be prepared for the offer unless subsection (4) allows an offer information statement to be used instead. Under section 712, the prospectus may simply refer to material already lodged with ASIC instead of including it.

Note: See sections 710 to 713 for the contents of a prospectus.

Profile statement

- (2) A profile statement for an offer may be prepared in addition to the prospectus if ASIC has approved the making of offers of that kind with a profile statement instead of a disclosure document.

Note 1: See section 714 for the contents of a profile statement.

Note 2: Subsection 729(2) provides that there is still liability to investors on the prospectus when a profile statement is used.

- (3) ASIC may approve the use of profile statements for offers of securities of a particular kind. The approval may specify information to be included in the profile statement (including information about a matter referred to in paragraphs 714(1)(a) to (d)).

Offer information statement

- (4) A body offering to issue securities may use an offer information statement for the offer instead of a prospectus if the amount of money to be raised by the body by issuing the securities, when added to all amounts previously raised by:
 - (a) the body; or
 - (b) a related body corporate; or
 - (c) an entity controlled by:
 - (i) a person who controls the body; or

Note 2: Under section 740, ASIC may make a determination aggregating the transactions of bodies that ASIC considers to be closely related.

- (5) In working out the amount of money to be raised by a body or entity by issuing securities, include the following:
- (a) the amount payable for the securities at the time when they are issued;
 - (b) if the securities are issued partly-paid—any amount payable at a future time if a call is made;
 - (c) if the securities are options—any amount payable on the exercise of the options;
 - (d) if the securities carry a right to convert the securities into other securities—any amount payable on the exercise of that right.

However, do not include an amount payable for securities, or payable on the exercise of options, if the securities or options are issued under an eligible employee share scheme.

723 Issuing or transferring the securities under a disclosure document

Applications must be made on form included in, or accompanied by, disclosure document

- (1) If an offer of securities needs a disclosure document, the securities may only be issued or transferred in response to an application form. The securities may only be issued or transferred if the person issuing or transferring them has reasonable grounds to believe that:
- (a) the form was included in, or accompanied by:
 - (i) the disclosure document; or
 - (ii) if subsection 721(2) allows a profile statement to be used—the prospectus or the profile statement;when the form was distributed by the person issuing or transferring the securities; or
 - (b) the form was copied, or directly derived, by the person making the application from a form referred to in paragraph (a).

Minimum subscription condition must be fulfilled before issue or transfer

- (2) If a disclosure document for an offer of securities states that the securities will not be issued or transferred unless:
- (a) applications for a minimum number of the securities are received; or
 - (b) a minimum amount is raised;
- the person making the offer must not issue or transfer any of the securities until that condition is satisfied. For the purpose of working out whether the condition has been satisfied, a person who

has agreed to take securities as underwriter is taken to have applied for those securities.

Note 1: Under section 722, the application money must be held in trust until the issue or transfer of the securities.

Note 2: This subsection prevents the issue or transfer of the securities not only to those who apply for them in response to the disclosure document but also to those who do not need to apply for them (for example, because they are to take the securities under an underwriting agreement).

Issue or transfer void if quotation condition not fulfilled

- (3) If a disclosure document for an offer of securities states or implies that the securities are to be quoted on a financial market (whether in Australia or elsewhere) and:
- (a) an application for the admission of the securities to quotation is not made within 7 days after the date of the disclosure document; or
 - (b) the securities are not admitted to quotation within 3 months after the date of the disclosure document;
- then:
- (c) an issue or transfer of securities in response to an application made under the disclosure document is void; and
 - (d) the person offering the securities must return the money received by the person from the applicants as soon as practicable.

Strict liability offences

- (4) An offence based on subsection (1), (2) or (3) is an offence of strict liability.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

724 Choices open to person making the offer if disclosure document condition not met or disclosure document defective

- (1) If a person offers securities under a disclosure document and:
- (a) the disclosure document states that the securities will not be issued or transferred unless:
 - (i) applications for a minimum number of the securities are received; or
 - (ii) a minimum amount raised;

Section 724

and that condition is not satisfied within 4 months after the date of the disclosure document; or

- (b) the disclosure document states or implies that the securities are to be quoted on a financial market (whether in Australia or elsewhere) and:
 - (i) an application for the admission to quotation is not made within 7 days after the date of the disclosure document; or
 - (ii) the securities are not admitted to quotation within 3 months after the date of the disclosure document; or
- (c) the person becomes aware that:
 - (i) the disclosure document contains a misleading or deceptive statement; or
 - (ii) there is an omission from the disclosure document of information required by section 710, 711, 712, 713, 714 or 715;
that is materially adverse from the point of view of an investor; or
- (d) the person becomes aware of a new circumstance that:
 - (i) has arisen since the disclosure document was lodged; and
 - (ii) would have been required by section 710, 711, 712, 713, 714 or 715 to be included in the disclosure document if it had arisen before the disclosure document was lodged; and
 - (iii) is materially adverse from the point of view of an investor;

the person must deal under subsection (2) with any applications for the securities made under the disclosure document that have not resulted in an issue or transfer of the securities. For the purpose of working out whether a condition referred to in paragraph (a) has been satisfied, a person who has agreed to take securities as underwriter is taken to have applied for those securities.

- (1A) An offence based on subsection (1) is an offence of strict liability.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

- (2) The person must either:
- (a) repay the money received by the person from the applicants; or

- (b) give the applicants:
 - (i) the documents required by subsection (3); and
 - (ii) 1 month to withdraw their application and be repaid; or
- (c) issue or transfer the securities to the applicants and give them:
 - (i) the documents required by subsection (3); and
 - (ii) 1 month to withdraw their application and be repaid.

Note: Section 719 deals with lodging supplementary and replacement documents. Section 728 makes it an offence for a person to offer securities if the disclosure document is deficient in a way that is material from the point of view of an investor.

(3) The documents to be given are set out in the following table:

- (3) If an application is received after the expiry date, the person must either:
